# Anti-Fraud and Corruption

The fraudsters are warned that they will face the full brunt of the law as the KwaZulu-Natal Department of Health maintains a zero tolerance against fraud and corruption.

Fraudulent activities include scams where the Department's name and logo (together with the names of officials sometimes) have been used to defraud unsuspecting people, especially suppliers and contractors. In the most of the illicit acts that have been brought to the attention of the Department, the fraudsters have used what appears to be the Department's official logo, bearing the contact details of people not employed by the Department.

In order not to fall the prey to this scam and to stop its spread, suppliers and contractors are urged to do the following:

- ◆ Verify order numbers and contact details with the relevant Department's Institution/District Office/Head Office.
- ◆ Deliver goods only to the Department's offices or Institutions.
- ◆ Double check the Department's e-mail domain address: **@kznhealth.gov.za**

The official e-mail address will be **name.surname@kznhealth.gov.za**

*(not @kznhealth.org or else @kznhealthd-gov.co.za)*

Whilst every effort being made by the Department to stop the spread of these scams, it must be noted that any transactions between suppliers, contractors and fraudsters are beyond the liability of the Department.

The Department cannot fight this scourge and other acts of fraud and corruption in isolation .

**Members of the public and officials are urged to report any suspicious activities through the following:**

Departmental Hotline Mail	fraudline@kznhealth.gov.za
Departmental Fax Number	033 345 6434
Departmental Call Centre	0800 00 5133
National Anti-Corruption Hotline (NACH)	0800 701 701
