On 30th November 2017, KZN MEC for Health Dr Sibongiseni Dhlomo visited CJM Hospital. His visit was to commend and to express his gratitude to hospital staff members -- the Doctors, nurses, Radiographers and other staff members for saving the lives of more than 60 people following a truck accident which was used as a people's mover overturned, killing five people on the scene, and three in hospital. He also encouraged staff members to remember their official oath (Nurses Pledge, Pharmacists Council Pledge etc) when performing their duties.

Before finishing his speech the Dr Sibongiseni Dhlomo handed over a certificate of appreciation signed by the Honourable Premier of KwaZulu-Natal Mr. Willies Mchunu to hospital management and staff. The message on the certificate reads as follows:

“The Provincial Executive Council learnt with great admiration about the hard work, dedication and patriotism displayed by the personnel of CJM hospital who attended to the survivors of the accident that occurred on 12 November 2017 on the road P291 in Pholoko Nquthu. This hard work and dedication brings confidence that with the calibre of the civil servants like those from CJM, the people of KwaZulu-Natal are indeed guaranteed the constitutional right to healthcare. The Provincial Executive Council is very proud of this hard work and dedication. Please keep it up.”

Delivering the vote of thanks, Mrs. M.Z. Khanyile (Hospital CEO) thanked Dr Dhlomo and his team for leaving everything and taking their time to come to CJM Hospital to thank staff members for their dedication, hard work and commitment .

“This is really humbling and overwhelming. This institution can not thank our principals enough, for this kind gesture.
