FIGHTING DISEASE, FIGHTING POVERTY, GIVING HOPE

OPERATION MBO AT MPOFANA AREA IN WARD 01 UNDER NQUTHU LOCAL MUNICIPALITY.

CJM Hospital embarked on an Operation Mbo Campaign (Taking Services to the people) at Mpofana area under Nquthu Municipality in Ward 01 on the 4th of April 2019 at Manxili Community Hall, this campaign have been implemented through Intersectoral collaboration using Operation Sukuma Sakhe approach. The profiling of the area started in 2018 when the Hospital Ward Based Team (WBOT) identified 21 families who were in need.

This area was identified as one with high number of unemployment, poverty , some families of nine they live in one room house, other families they don't have Identity documents and children's without birth certificates and they don't receive child support grants.

It is for these reasons that the hospital management and staff started a campaign to donate clothes and groceries to give to these families; the idea was well welcomed by other Government Departments, Nquthu Local Municipality, Mandleni Traditional Council and the Local Counsellor.

The event attracted 257 community members, during the campaign we sore 21 families who received groceries , blankets and clothes by Department of Health, 8 other families were also received groceries from Department of Social Development and all these families were provided with seeds by Department of Agriculture and Rural Development. The department of Home Affairs assisted 58 families with Identity documents and birth certificates those who qualified.

The success of this event was through the support of the following Departments who were given slots to educate, inform and to advice community members as per their functions:

- Nquthu Local Municipality
- Mandleni Traditional Council
- Local Counsellor
- SASSA
- Department of Education
- Department of Agriculture and Rural Development
- Department of Social Development
- Community Safety and Liaison
- Nquthu SAPS
- Economic Development, Tourism and Environmental Affairs.
- Department of Correctional Services.
- Umzinyathi Health District.

During this event departments services were provided screenings were done and among elderly received optical glasses, walking aids and some community members received seeds with a the hope that people will establish gardens.

BURNS AWARENESS

**THINK SMART AND AVOID
FIRES AND BURN WOUNDS**

KNOWLEDGE and a little caution can help prevent serious injuries and save many lives – including those of children – that are lost each year due to fire-related adverse incidents.
