May his soul rest in
peace

**It was an event that
one will always remem-
ber.**

This event was organ-
ized by the CJM Hospi-
tal Health Promotion
Team.

The team leader Ms
Fikile E. Shoyisa
worked vigorously to
make this day a success.
This event was aimed at
equipping the school
children with all the nec-

essary information as
to how to keep their
teeth healthy, clean and
strong.

There were three Pri-
mary Schools that at-
tended the event-
namely, Hlomisa,
Cassino and Mash-
esheleng Primary
School.

The music was amus-
ing as the children sing
with enthusiasm.

The big moment for the
day came when Dr Sinel-
zwi Mbanjwa addressed
the children about the
Oral Hygiene. He told
them that it takes 6 min-
ute to clean teeth.

He told the children that
as they wash themselves
every day that they must
also clean their teeth
every day. He told the
children that the teeth
should be cleaned in cir-
cles.
