MSINGA HIGH SCHOOL CAREER EXHIBITION

Church of Scotland Hospital Team at the career exhibition stand during the event to give informative information and guidance to pupils.

The exhibition is organized for students and learners to receive information on domestic and international study opportunities directly from institutions representatives. The event is an important platform for improving young peoples' and professionals' education and career opportunities for a better future.

On the 28 February 2018 Church of Scotland Hospital Human Resource Development and other staff were there to ensure that bursaries are marketed and career guidance were given. Different Educational institutions they were also there .

This was a high profile event, with around 1000 learners attending from Msinga High Schools, ranging matric only. This is therefore the perfect platform to engage with a target driven audience, of intellectually hungry students and to promote courses.
