PHC GOVERNANCE STRUCTURE TRAINING

Clinic Committee Members and Operational Managers from different clinics during the training.

To strengthen the capacity of Primary Health Care Facility Governance Structures to fulfil their role as Health Governance Structure members, through the learning of appropriate knowledge, skills, attitudes and experiences.

Functions of Clinic Committee

- To become and remain acquainted with the operations of the clinic and the services of which such board is constituted.
- To act as a channel of communication between management, patients, staff and the community
- To advise the administration on matters generally affecting the management of the clinic
- To concern oneself with the general aspect of employment and other matters of overall interest.
- To make recommendations to management regarding the usage of resources.
- To ensure that no member shall vote upon or take part or be present during discussion of any matter before the committee in which he/she has any interest financially or otherwise.
- To ensure that all matters deliberated at committee meetings are treated with confidentiality
- To assist with fund raising for the clinic and ensure proper utilization of thereof.
- To conduct regular inspections at the clinic

COLLESSIE CLINIC OPEN DAY

Collessie Community Members at the Open Day Event .

On the 3rd of July 2019 Collessie Clinic hosted an open day where an estimated of +/- 300 community member came to attend the event. Amongst the invitees the event was well attended by the community key figures where the Izinduna, Traditional Health Practitioners and the Clinic Committee Chairperson were present.

The programme of the day was on a high note from start to finish. The event was diverse since we had different speeches from different disciplines. The Induna welcomed all present and the Operational Manager of the clinic (Sr. N.O. Kubheka) stated the purpose of the day.

uMzinyathi Health District Oral & Hygiene Specialist Ms. L. Mahlobo was there to render NHI Services and Ms. N. Mkhonza HPS Practitioner was also there.

It would have not been an event if there was no entertainment from Community Care Givers (CCG's) gave educational songs and Mbangweni staff did a stage play which was educational.

An open day basically is an event whereby an institution gives brief information on how it operates and to also give an insight on the services which available in that particular institution. Amongst operational hours of the clinic Collessie Clinic ensures that it opens in time and closes with the last person who is inside the clinic even if it's past closing time.

Services that are rendered at Collessie Clinic are: Minor ailments, Family Planning, Chronic Disease Management, Immunization, Counselling, TB Management, HIV/AIDS Management, Mental Health, Ante Natal Care, Post Natal Care, Rehabilitation, Pap Smears, Health Education, Dental Care, Maternity Services, STI Management, Nutrition, Emergency Services, Communicable Diseases, Medical Male Circumcision, Eye Health & CCMDD.

HOSPITAL BOARD ORIENTATION & INDUCTION

Director : Corporate Governance & ISC Mrs. P.J. Lallupersad conducting hospital board training

In order to ensure that the Department is working towards achieving its goals and objectives, and in line with the king report on Good Corporate Governance, it is necessary to establish certain governance structures which assist in ensuring service delivery needs of the community we serve are met.

On the 11th of July 2019 hospital Board Members from Church of Scotland Hospital and Charles Johnson's Memorial Hospital were invited by the office of the Director: Corporate Governance and ISC to Hospital Board Training.

Roles and Responsibilities of Hospital Board:

The roles and responsibilities of Hospital Board are wide and cut across a number of areas;

- Community presentation—needs, complaints, etc. be the “eyes and ears”
- Oversight role in terms of service delivery, utilization of resources, good governance and oversee the general administration of the hospital.
- Conduct inspections
- Advisory and technical support
- Fundraising
- Prepare reports on matters relevant to the institution concerned which should be brought to the attention of the HOD and MEC
