WASTE MANAGEMENT CAMPAIGN

The HCRW Members

As Greytown Hospital, we enforce proper waste segregation to prevent infections; diseases transmission; needle stick injuries and spillages.

It is our primary duty to protect our patients whilst receiving treatment as well as visitors from getting other nosocomial infections or injuries while in the hospital.

The Health Care Risk Waste (HCRW) committee declared the September 2015 as waste management day. All staff members were encouraged to discard waste properly at the point of generation and plead with the community to practice the similar practice of managing waste.

A walk about within the hospital started in OPD and proceeded to all wards within the hospital; including CDC and Gateway clinic, promoting proper waste segregation through singing songs and parading.

Mr. Dlamini led the Sthathamiya band singing songs that emphasize proper waste segregation from the point of generation to the point of final disposal; through the use of correct HCRW containers.

PINE STREET CLINIC OPEN DAY

Audience listening attentively to speech

On the 23 September 2015 Pine Street Clinic hosted an open day. The purpose of the open day was to make the community aware of the services rendered at the clinic and further provide a platform for the community to ask questions. The event started with health promotion and viewing of stalls where health services rendered were displayed.

Pastor Sthomo opened in prayer, Sr. Mdladla introduced guests and welcomed all present. The students from Tholothemba School stole the show whilst performing songs.

Pine street clinic staff would like to thank all sponsors who made the day a success. Sr. HB Mdladla thanked hospital management especially Ms. KJ Mngadi for her attendance and support.

**Operational Manager of Pine Street Clinic
Sr. Mdladla informing clients of services
offered at the clinic**

**Ms. KJ Mngadi GTN CEO responding to ques-
tions**

**Mrs. SG Ngubane PHC Supervisor responded
to questions**

**Nutritionist Ms. D Govender screening and
counselling**
