Heritage Day

Greytown Hospital staff celebrated Heritage Day on the 26 September 2018. The theme of the day was **“Celebrating our Diversity”** in the work place. Acknowledging that as South Africans we have diverse cultures and beliefs.

On the day, each department represented their culture by dress code, cultural dance and serving of culture cuisine. The Zulu, Indian and Pedi cultures were represented and celebrated. The cultural group gave background of their culture and performed a traditional dance of the said culture.

The beautiful displayed stalls were full of different cultural food like Mopani worms, Isijingi, Samoosa and much more. Ms. Nondumiso Ngubane performed a moving poem of **“Intombi yomZulu”**. It was truly a fun filled, educational day enjoyed by all staff. Where we embraced our diverse cultures with pride and respect for each other thus observing our clients diverse cultures, beliefs and religion.

The Zulu slayed the show with Isicathamiya, Poem and a Dance

The Indians surely entertained the audience with their dance

The Pedi culture - What a WoW!

Cultural cuisine enjoyed by all
