Foreword from the CEO

Mrs. X.N.T Mtunzi
Chief Executive Officer

I would like to thank all staff for the hard work and dedication throughout 2013. This is the year for us to start perfecting all the good work that we started in order to achieve full compliance and accreditation in the National Core Standards by ensuring that all criteria are met and all documentation is available and up to date.

We must remember that the main objective is to improve the quality of care for our patients and an improved work environment for staff despite challenges that we face every day.

Thank you

Mrs. XNT Mtunzi

HCT CAMPAIGN EDENDALE MALL

On 10 February 2014 Imbalenhle CHC hosted the HCT Campaign at Edendale Mall whereby Clinical services were rendered, which were HCT and Family Planning. The campaign went on for three days and ended on 12 February 2014. The campaign was a success as the community attended in numbers.

From Left: Sister Mthalane, Sister Majozi

Centre: Mr. S. Mthethwa (Enrolled Nurse Assistant)

From Right: Mr. T. Ndlovu (Community Facilitator), Mrs. N. Mthalane (Health promoter)

As we know February is the month to embrace love, the campaign became a success because many couples came through for HCT testing. This has made the institution even more enthusiastic in conducting such campaigns because it was proven that such campaigns are highly effective in reaching members of the community and need to be rendered more often as it makes it easier for our clients access our service as more than often they don't find enough time to attend facilities.

The following services were rendered and the number of clients seen on the campaign:

HCT:	427 Tests conducted
Family Planning:	35

Right: Mrs. T.B Ndimande Operational Manger (CDC)

Centre: Sister Mthalane

Left: Mrs. L.H Sibiya Operational Manger (ANC)

OUTREACH CAMPAIGN WILLOWFONTEIN

On 23 January 2014 Willowfontein Clinic hosted the Outreach Campaign at the Willowfontein Community Hall whereby Clinical services were rendered to the community. The campaign was headed by Imbalenhle CHC as the mother Institution and involved teams from Impilwenhle Clinic and Willowfontein Clinic.

Operational Manager Mr. N Hadebe welcomed and addressed the community about the purpose of the day.

The campaign was successful as the community attended in numbers.

CCG'S IN ATTENDANCE

Heritage day

On the 4th of October 2013 Imbalenhle CHC held its heritage event. The event was a success thanks to the Staff' members willingness to participate in the event.

Our guest speaker was Makhosi Myende (Traditional Healer) from Unit 14 Imbali. Her speech was mainly based on the reasons and the importance of practicing our culture.

Activities on the day included traditional singing and dancing by our staff and a few notes from our Choir.

PUBLIC RELATIONS TRAINEE

Mr Thabani Cele

It is my utmost great pleasure to formally introduce myself to a such well known publication of Imbalenhle CHC for the public. I'm Thabani Cele from Imbali unit 2 currently doing my In-service Training in this institution. First and for most I would like to thank the Public Relations Officer Mr Mthandeni Mzelemu for granting me this opportunity to further my studies at a practical perspective in his supervision for me to obtain my diploma in Public Relations which I studied at Umgungundlovu F.E.T College .

On the contrary feel free to write more in our suggestion boxes if you have any complaints, compliments, suggestions or visit us at the Public Relations Office near Administration as we will note your complaints and make it our priority to sort them as soon as possible, it is our duty to make sure we maintain a good working relationship between the public and the Community Health Centre because without the community and it surrounding areas this institution wouldn't be alive.

I sincerely hope you enjoy this publication as this is my first issue of many as I'll be here for the period of 18 months at your service.

COMPLIMENT FROM CLIENT.....

To : Imbalenhle Community Health Centre, I would like to thank all the staff from the Doctor's to the nursing staff. I have been your client for 6 years and not even one day have I received terrible service and I have moved to A private hospital but for a public Clinic you have done wonders.
