HANDWASHING MARCH 2019

NEWS

STAY INFORMED

Infection Prevention and Control Team

On 17 May 2019, Imbalenhle Community Health Centre held a Handwashing campaign march.

The purpose of the campaign was to sensitize and educate the Our clients and the community we serve about the importance of proper hand washing procedure. The march was led by our Infection Prevention and Control manager and the IPC champions who took the lead in educating our community and also were marshals on the day. The march was also supported by all the Imbalenhle CHC management from the Chief Executive Officer, Medical manager, Deputy Nursing Manager the Finance Manager and other staff members from the CHC including the Community Care Givers.

Our targeted route was from Imbalehle CHC to the Vendors outside the CHC then to Sina-muva Primary School, Vusumuzi Creche in unit CC, Edendale Mall and to Piermaritzburg City Hall.

HANDWASHING MARCH 2019

The march was a huge success as we managed to visit all the places on our route as planned.

Imbalenhle CHC Management would like to extend their sincere gratitude to all staff members that participated in the march. More importantly we appreciate the assistance we received from the Piermaritzburg Traffic Police, Plassislaer Police Station, Loop street Police Station and the Msunduzi Municipality
