COLLEGE STAFF ACHIEVERS.

The year 2022, are fruitful years to the CJM Nursing Campus. Some staff members have graduated after completing their qualifications. The campus Principal always encourages the nurse educators to study, in preparation for the new qualification. Within the midst of the staff members' achievements, some students have also passed their exams very well by obtaining the status of *Top achievers*

Dr. Mthiyane Graduated in 2019 at UNISA after completing her PhD degree in Nursing Science

Miss Thompson graduated in 2019 at Regent Business College after completing her Master of Business Administration degree

Mrs. I.N Mngomezulu in 2022 achieved Masters in General Nursing Science degree

Mrs. T.C Mlambo in 2021 achieved Masters in General Nursing Science degree

CJM NURSING CAMPUS CAREER EXHIBITION.

Nursing campus hosted career exhibition on the 16 of March 2023 at Mgazi Full Service School. The event was officially opened with a Prayer by Mrs N.I Mngomezulu. The programme director welcomed everybody who was present. CJM Nursing Campus principal Miss R.F Khoza explained the purpose of the day and thanked Mgazi Principal and management for allowing CJM staff to host the event. The campus principal explained that CJM campus is one of the 11 public campuses of the KwaZulu-Natal colleges of nursing (KZNCN). The campus is offering two programs of the new qualification i.e. Diploma in Nursing [R171] and Advanced Diploma in Midwives [R1497]. The campus principal also explained the recruitment of selection of candidates is now done online and selective is done centrally at KZNC admission center is clearly written on the advertisement.

Recruitment and selection Miss Nondumiso Sithole further explained the whole process of the advertisement and admission criteria using the point system and subjects. Books used in nursing Miss Ven Madida elaborated about all the books that are used in nursing campus in order to finish up all your studies she showed the learners the books that are needed. Use of the campus library Miss A. Msoka explained all the activities that are done in the library how to loan books, use of internet and articles.

Miss B. Mthembu displayed and explained the use of different equipment in nursing i.e. B.P machine, ITGT machine, Ambu-bags for both adults and babies. The levels of training and different button Dr I.N Mthiyane explained the uniform worn by students and use of different colors of buttons to identify the level of training i.e. green button worn by first year students, red worn by second year student and deep blue button is worn by finalist third year students.

MS . A. MASOKA EXPLAINING ABOUT THE USE THE NURSING COLLEGE LIBRARY AT CJM NURSING CAMPUS.
