MAHATMA MEMORIAL GANDHI HOSPITAL

STAY INFORMED

FIRE DRILL AT MAHATMA GANDHI MEMORIAL HOSPITAL

MARCH 2023

On the 28th of February 2023, an annual fire drill was held at Mahatma Gandhi Memorial Hospital. The Phoenix Fire Department was on site to assess and evaluate the evacuation system within the facility. Scenario used was an electrical fire in the gynae ward. The MGMH team implemented the emergency response and had safely evacuated all patients, staff and visitors to the nearest assembly point. The team met back in the boardroom for a briefing on the outcomes of the fire drill. Thanks goes to the Phoenix Fire Department for the helpful advise and expert guidance on improving our emergency response plan.

FIRE DRILL DEMONSTRATION

WORLD HEAD INJURY DAY

A head injury is any trauma to the scalp, skull or brain. Head injury can be closed or open. Closed injury means, you received a hard blow to the head from striking an object, but the object did not break the skull.

SYMPTOMS OF A HEAD INJURY ARE:

- Confusion
- Headache
- Dislike of noise or light
- Nausea
- Balance problems
- Blurred vision
- Difficulty concentrating
- Fatigue

HOW TO PREVENT HEAD INJURY

Always wear a seat belt in a car, use a car safety seats, never drink and drive, wear a helmet in s bicycle or motorbike, use hand rails on stairs, adequate lighting on stairs, check for obstacles in pathway and correct safety equipment for workers.

FAREWELL TO MRS CHILIZA

Mahatma Gandhi Memorial Hospital bid a farewell to Mrs. Makhosazana C. Chiliza on the 31st of March 2023. She is amongst the founders of this facility as she joined MGMH when it opened its doors in 1997. It was so amazing to come across with such a warm hearted person, her attitude was always positive and good, she was such a lovely person to have. She was always dedicated to her job, always smiling and sharing jokes, she was accommodative to everybody. She was a mother, a colleague, a sister, actually everything to everyone, she was so different and exemplary. As much as it is important for someone who had worked so hard for the facility to go home and rest, it was a hard pill to swallow to wave a goodbye such a stalwart of Mahatma Gandhi hospital. On the 28th of March, the management and staff organized a farewell party for her. As Mahatma Gandhi Memorial Hospital, would like to wish her a healthy stay at home with her family. May her humility, dedication and caring attitude be left with us. Good Byeeeee!!!!!!!!!!!!!!!!!!!!!!

PRE PASS OVER SERVICE

Mahatma Gandhi Memorial Hospital had a pre Passover service. This was a service that gathered together all employees of the facility, green, pink and yellow. It was one of the powerful services of my lifetime. Staff members came out in numbers to attend and it was so amazing. On the right Acting Laundry Manager, Pastor W Sokhulu, was captured here in high spirit. The service was started with a powerful prayer and went through to the seven words of Jesus Christ. Preachers were from the facility and only the guest preacher was from the Hope of Glory Community Church. Her name is Apostle S.D. Chili. The aim of this service was to invite the Holy Spirit to be with the employees when they are doing their essential services. An awaited impact is to see employees having a compassionate care and improve the provision of the service of a high quality.

PASS OVER SERVICE CONTINUES

Above and Below: Mahatma Gandhi Memorial Hospital hoisted a pre-Passover Service for the entire staff members. The hall was packed into capacity for this powerful service. Thank you to God for such a powerful prayer.
