## WORLD HAND-HYGIENE DAY AT MGMH

Mahatma Gandhi Memorial Hospital is one of the institutions that observed and celebrated the World Hand Hygiene day. The facility under the mentorship of the charismatic CEO Mr. Maphumulo, celebrates this historic month every year. May is flagged as a World Hand Hygiene Month in the entire world including South Africa. It

aims to raise awareness about the importance of hand hygiene in healthcare settings and in the prevention of health care associated infections. Hand hygiene plays a crucial role preventing the spread of infectious diseases. It involves washing hands with soap and water and or using hand

sanitizers to kill germs and bacteria by practicing good hand hygiene we can protect ourselves and others from getting sick.

**THEME:**

Promoting knowledge and capacity building of health and care workers through innovative and impactful training and education, on infection prevention and control, including
