Heritage day at MGMH

Theme for 2023: “Celebrating our cultural diversity in a democratic South Africa:”

Mahatma Gandhi Memorial Hospital is one of the institutions that has different cultures within the same institution. The facility under the mentorship of the charismatic CEO Mr. Maphumulo, celebrates this historic event every year. The

2023 Heritage Month brings focus to South Africa’s rich and diverse cultural heritage and its immense contribution to our social, economic, health and scientific well-being especially for rural, township and peri-

urban communities. Based on this charismatic contribution of heritage, Mahatma Gandhi Hospital took an initiative to celebrate this historical event. During the day of the event, everything was up to standard, participation and

WELCOME NOTES

Image of Mr. Mthethwa Deputy Manager Nurse at Mahatma Gandhi Memorial Hospital.

The Deputy Manager Nurses Mr. Mthethwa who was an Acting CEO during the day of the event. He was captured welcoming all staff members and our visitors who were part of the event. He requested everyone to feel at home. "he said everyone has a big responsibility to love, to care and to protect each other. At Mahatma Gandhi hospital, we like to have a good healthy staff, who takes responsibility and protects all those who are fragile and vulnerable. We don't like to have the type of staff who are abusive to the patients. He said raising a thoughtful, well rounded staff can be a challenge. Some staff are slow to pick up social graces and

some are boisterous to the point where they have a hard time focusing. You need to give some responsibility and let them show their emotions, don't try to shut down their revving engine and give them a chance to voice out how they wish things to be done. In our culture, a man needs to learn how to slaughter and skin the cow in his early stages of boyhood. Therefore it is very important to raise a boy in a proper manner, emphasized the DMN. He applauded organizer's of the event about such a charismatic event, which brings together staff members from different races, we need to encourage events of this magnitude, concluded the
