MPEH NETBALL & SOCCER TEAMS

Our McCord Netball and soccer teams proudly represented our hospital in the recent tournament organized by the Department of Health. We've been a part of this tournament for years, and it's always been a blast! The team's passion, team work, and sportsmanship have consistently made us strong contenders. We're not just playing for ourselves, but for the McCord Community. The energy, the cheers, the goals it's all about having fun and promoting health and wellness. A huge thank you to our Netball team for sacrificing their time to attend practices. Every sprint, every pass, every shot is a testament to your commitment. Thank you for making our hospital proud. A big shout out also goes to our Soccer gents. Your energy and sportsmanship on the field does not go unnoticed. Thank you for representing McCord with pride.

HERITAGE DAY 2025

MPEH celebrated Heritage Day again this year, and what a celebration it was! McCord is a vibrant institution, a beautiful melting pot of AmaZulu, AmaXhosa, Basotho, Afrikaners,, Coloureds, Indians and English, to name the few . We didn't just celebrate our individual cultures , but our diversity as a whole. With lots of love, respect, and unity, we embraced what makes us unique and what makes us stronger together. The energy was electric, the food was delicious, and the performances were lit. Proud to be part of MPEH family.

THINK HEALTH, THINK PHARMACY PHARMACY MONTH 2025

MPEH Pharmacy team did an excellent job celebrating Pharmacy Month led by Mr. R. Maharaj (Pharmacy Manager), definitely brought the energy! They educated us on the vital role pharmacist play in patient care, from inpatient to outpatient services, and how they collaborate with the doctors to ensure optimal treatment. The team also treated us to a fun raffle with awesome gifts. It was a fantastic opportunity to highlight the importance of pharmacist in healthcare, and we're grateful to pharmacy team for making it happen.

WORLD AIDS DAY 03 DECEMBER 2025

Galaxy A13

Galaxy A13

Galaxy A13

Galaxy A13

At MPEH hospital, we celebrate AIDS Day every year to remember those we've lost and raise awareness about HIV/AIDS. The day is all about promoting prevention, testing, and treatment, and breaking down stigma around the disease. It's a chance for people to come together, share stories, and advocate for change.. We've got a strong history of activism and awareness around HIV/AIDS, and World Aids Day is a big part of that. It's also a time to reflect on progress made and challenges still ahead in the fight against HIV/Aids. We also had a self-defence training session specially for women, focusing on empowering them against gender- based violence, which is a big concern in our communities.

YEAR END FUNCTION 10 DECEMBER 2025

Our annual year-end function was absolutely amazing! The program was led by Mrs Julie Perks, who did an amazing job. She was funny and kept our guest engaged. We had guest from our sponsors, churches, head office, and board members to name the few. The atmosphere was electric, and it was a wonderful opportunity to connect with everyone who supported us throughout the year. Dr S. R. Naidoo commended the staff for their outstanding work in providing quality healthcare to our patients acknowledging their work and dedication. He also extended his gratitude to our sponsors, stating that we wouldn't have been able to make healthcare possible without their invaluable support.

YEAR END FUNCTION 10 DECEMBER 2025

Dr Chelin got the event off to a great start with an uplifting prayer, setting a positive tone for the rest of the afternoon. The Christmas message was beautifully delivered by Reverend S. Shangase, and it was truly powerful and uplifting. His words resonated with everyone, spreading love and joy in the spirit of the season. The highlight of our entertainment was definitely the McCord choir, with their stunning vocals and uplifting performances. They really got everyone in the holiday mood. Also to add to the musical magic, we were also treated to a performance by a talented choir from the theatre, who captivated us with their beautiful melodies and harmonies.
