EMPOWERING EXCELLENCE, ENHANCING LIVES.

September / December 2024

QUALITY DAY CELEBRATION

Sr. Perch (OM) organized a successful Quality Day celebration to honour and reward our dedicated staff members for their hard work, commitment, and outstanding contributions to our organization's quality and excellence. On this day, we come together to share best practices, learn from each other, and inspire one another to strive for perfection.

During the Quality Day Celebration, various departments took the stage to showcase their work through engaging presentations, highlighting their achievements, challenges and successes. We had a panel of judges who evaluated the presentations from each department, providing valuable feedback and helping to select the top performers of the day.

MPEH WELLNESS DAY

HEALTHY CHOICES, HEALTHY LIFE

MPEH is fortunate to have Mrs. Zulu our EAP, a dedicated professional committed to ensuring that employees receive the support they need to maintain their well-being and productivity. The day kick started with a fun walk at 08h00, thereafter followed by Aerobics

After that we had educational talks and played traditional games

- Games included the following indigenous games
- o Umlabalaba
- o Dockey
- o 3 tin
- o uMagalobha,

The staff members who attended were extremely enthusiastic and excited. The turnout was much better than the last Wellness Day, and we are hopeful that even more staff members will join in the new year. As the Health and Wellness Day is designed specifically for our staff member to relax, recharge, and prioritize their own well-being.

COMMEMORATING WORLD AIDS DAY

MY Health, MY Right

Sr. Hlongwa, Sr. Bhengu and Sir Naidoo addressing our patients and staff

At MPEH we always commemorate World AIDS Day. We remember those who have lost their lives to AIDS. We also think about those who are living with HIV/AIDS. On this day, we promise to keep supporting and caring for them. Sr. Hlongwa our Occupational

Health nurse, encouraged our staff members and patients to always practice safe behaviors to prevent the spread of HIV and AIDS. She educated them on the importance of getting tested, knowing their status, and seeking treatment if infected. Sir S. Naidoo (OM) stressed the need to eliminate stigma and

discrimination against those living with HIV and AIDS. Sr. Bhengu reiterated the theme: "My health, My Right" and she encouraged staff members and patients to respect everyone's right to good health and to make healthy choices.

EBENEZER

Prayer and intercession for the coming year

We had a wonderful Ebenezer service, filled with powerful praise and worship. The presence of the Lord was tangible, and we felt his joy, peace, and love as we sang, danced, and lifted our voices to him. The praise team led us in spirited worship, and the congregation responded with enthusiasm, creating a beautiful atmosphere of adoration and reverence. We were blessed. We prayed for our patients, and colleagues that we may serve them with kindness, empathy, respect and making a positive impact on their lives. Pastor Chili preached a moving sermon reminding us of God's great love. The employees were deeply blessed and inspired by Pastor Chili's powerful preaching.
