MONTEBELLO HOSPITAL HOSTS AN OPEN DAY FOR THE COMMUNITY

The 13th of March 2019 saw Montebello Hospital Hosting the community of Montebello where they had their Open Day. The hospital planned this day for the community as so that they know more about their hospital. This event gave the hospital the platform to present the hospital's services to the public by giving each department the chance to do deliberate on the different departments the hospital has, and also included a presentation from Road Accident fund, which works closely with the hospital. Mr Ngcobo who spoke on behalf of management thanked the public for honoring this day as it is their day to gain all the information they need to know about their hospital. During the presentations of services and departments the community was given opportunities to ask questions and express their different experiences at the hospital. The day continued as the staff had their different displays with information brochures for the community to take home and educate others, and where also the students grabbed this opportunity to find out more about the different careers that are available at the Department of Health, where they also closed off the day with a beautiful choir.

GATEWAY CLINIC DRIVES THE PREGNANCY AND STI/CONDOM WEEK

On the 14th of March Gateway Clinic staff actively participated in engaging with their patients by having an Pregnancy and STI/CONDOM week. This week, as stipulated in the health calendar of the Department of Health is a week to give awareness to the public on the importance of using condoms and how STI'S can be avoided when using condoms during sexual intercourse. It was also combined with Pregnancy week where Sr Mbanjwa who works with (Mother & Child) explained the importance of attending the clinic immediately when you have been tested positive for pregnancy, she further explained what check ups they do at the clinic when pregnant, until the day of giving birth. The distribution of the condom went on the whole day where the staff was distributing to every patient who came to the clinic. The patients were educated on how to use them.

MONTEBELLO HOSPITAL WELCOMES THEIR NEW CEO

On the 29th of May the Acting District Director Dr Moopaner visited the hospital to introduce the newly appointed CEO Mrs B.R Msomi to the staff. Montebello Hospital has been without a CEO for a few years and the staff was delighted to be informed of her appointed. Dr Moopner spoke highly of Mrs Msomi and the great work and achievements she has done. “ I was pleased with the level of respect and manners at the Security staff as I entered the hospital” she said, as she was given an opportunity to address the staff, and continued to mention that she is looking forward to working well with everyone. Mrs B.R Msomi resumed duties on the 3rd of June 2019.
