MSELENI DISTRICT HOSPITAL

KZN MEC for Health Dr. Sibongiseni Dhlomo celebrated with Mseleni Hospital as the 3rd National Best Batho Pele Team of the year

Moving forward with speed: ensuring a better quality of life for all . Shine Mseleni Hospital shine !

KwaZulu-Natal, MEC for Health honorable Dr. SM Dhlomo, Inkosi K.T.H Nxumalo, Mseleni Hospital Acting C EO, Dr. VG Fredlund, Induna , Mr. K.S Gumede Mseleni Hospital board chairperson, Rev. S.E Dlamini (Hospital board member.

On the 19th November 2015, the honorable MEC for Health KwaZulu-Natal Dr. Sibongiseni Dhlomo visited Mseleni Hospital. The main purpose of his visit was to congratulate Mseleni Hospital Management and staff members for their greatest achievement during 3rd Annual National Batho Pele Excellence Awards ceremony held on the 13 November 2015 at Emperors Palace, Kempton Park in Gauteng Province. Remember! It is not for the first time

Mseleni Hospital is honored by KwaZulu-Natal MEC for Health. Last year December, the Honorable MEC for Health in KZN Dr. SM Dhlomo celebrated Christmas Festive at Mseleni. Mseleni hospital won Gold for Batho Pele during the Premier Service Excellence Award held in Durban International Convention Center on the 24 July 2014 and that was honored by the honorable Dr. SM Dhlomo when he visited the institution during the Christmas festive seasons. Indeed Mseleni Hospital is the Batho Pele Champion for South Africa. Dr. SM Dhlomo reminded nurses about their ethics and to keep on

being advocate for the patients. Nurses who are NIMART trained were commended for the great work they do to initiate ART in hospital and clinics thus Health Department has enrolled more clients on ART He valued the long journey the Hospital has under taken up to this far go through up to this far. "To bit the all departments in the 3rd Annual National Batho Pele Excellence Awards 2015 meaning that there are good members behind who are loyal and trustworthy in serving community. The hospital was encouraged to maintain high quality care standards that they render to the community.

Inkosi K.T.H Nxumalo from Mabaso Tribal mentioned that they are having a good relationship with Mseleni Hospital and he is having more good stories to tell about this institution and it is the best of best he said (The fear of the Lord is the beginning of knowledge; Proverbs 1:7). Inkosi MA Mahlobo from kwaNdwalaza Traditional Authority under Mkhondo Municipality also complemented the Hospital for the good work it has done after he heard that the hospital won a Gold Award trophy, high quality of print machine and cash prize of R10.000. Dr. VG Fredlund conveyed his gratitude on

behalf of the institution and its satellite clinics for being honored by MEC Dr. SM Dhlomo for their outstanding performance in rendering Health Care services in the community. He showed the MEC, Dr. SM Dhlomo how the Hospital is implementing 11 Batho Pele principles as a team which led the Hospital to win. To win a Gold Award it is not the end of the road but we still need to do better in serving the community. We promise to continue shining said by Dr. VG Fredlund (Acting CEO). The management would like to acknowledge the presence of Inkosi K.T.H Nxumalo, Deputy Mayor

Cllr MN Nxumalo of Umhlabuyalingana Municipality, Izinduna, Mseleni Hospital board members, Pastor MJ Tembe (Hospital chaplain), Ward 5 Cllr J.S Mkhabela, Umkhanyakude Acting War-room convener, Mr. Mthobisi Mthembu, neighboring hospitals and all stakeholders (Mabwana Thusong Services Center, Mzila Full Service school, Mseleni Children's home, Old Mutual) who were the part of celebration and we also like to commend Royal Mnandi Food Services company for their much support. We thank you all!

Moment of a day the audience were keep on smiling while they were listening the MEC's VOICE
