MSELENI HOSPITAL

Mseleni Hospital excelled during MASEA

Prestigious Awards went far north as Umkhanyakude shone afar!

Jubilant Mseleni Hospital Systems Manager being crowned an award by KwaZulu Natal MEC for Health, Dr. Sibongiseni Dhlomo

KwaZulu Natal MEC for Health, Dr. Sibongiseni Dhlomo awarded uMkhanyakude Health District and its hospitals once again for excelling on services delivery! Massive excitement was seen at MEC for Health's Annual Service Excellence Awards (MASEA) ceremony held on the 15th May 2015, Friday, at International Convention Centre (ICC) in Durban. The following awards were handed over:

Mseleni Hospital

- Special Recognition for Service Excellence through Innovation and Best Practice.
- Certificate of Commendation for Service Excellence Through Innovation and Best Practice under 5 Management Systems which

is related to Millennium Development Goal 4: Reduce Child Mortality
Sibusiso Mavundla: Systems Manager: Leadership and Management Practice was also awarded with a Certificate of commendation and the amount of R2000-00.

Umkhanyakude Health District

- Bronze Award: Millennium Development Goal 6: Tuberculosis
- Bronze Award: Millennium Development Goal 4: Reduce Child Mortality
- Gold Award: Millennium Development Goal 6: Combat HIV/AIDS, Malaria & Other Disease.
- Gold Award: Millennium Development Goal 5: Improve Maternal Health.

Manguzi Hospital

- Markye Bezenhout: Physio-therapist: Individual Award for Best Frontline Service Delivery.
- Duncan Mosephele: Dietician: Special Award on extra mile, dedication, loyalty and Commitment to Service Delivery.

The achievement on Millennium Development Goals came at an appropriate time, 2015 which is the deadline for their entire achievement.

Furthermore, this was not the first time for the Umkhanyakude Health district to wonders as Mseleni and Manguzi Hospitals have been recognized by Premier in the last consecutive years for excellence on Batho Pele implementation.
