Mseleni Hospital Staff during NHI Workshop

Mseleni Hospital Staff had a very progressive and extensive Workshop on National Health Insurance (NHI) programme held at Mseleni Hospital on the 17 March 2016.

The Facilitator: District Manager (Miss Themba) . explained broadly about the impact and changes will happen in people lives after this programme has been implemented.

When NHI is fully implemented, it is anticipated that the number of medical schemes will reduce.

Staff was listened attentively during the workshop.

One of the core objectives of NHI is to optimize the utilization of available resources, including financial and human resources, Its also ensures that people do not spend against the same health care costs twice.

Clarity to questions raised by the staff members was given !

Glaucoma Awareness week at Mseleni Hospital

On the 06th - 12 March 2016 was a National Glaucoma Awareness Week ,an important time to spread the word about this sight-stealing disease.

Patient doing eye test by Sister Nxumalo (Eye Clinic Nurse)

Mseleni Hospital Eye clinic team visited Gateway clinic within the hospital, screening the patients doing eye test on the scene and they also educated patients about the importance of doing check up immediately when they experienced pains/ symptoms on their eyes .

Glaucoma is a disease of the eye in which fluid pressure within the eye rises - if left untreated the patient may lose vision, and even become blind. The disease generally affects both eyes, although one may have more severe signs and symptoms than the other.

Front: Mr. Mkwanazi(Optometrist) examining the patient) Left: Ms Sebenzile Manyoni (Optometrist) &Right Sister Mkhize From Gateway Clinic.

The best way to protect your sight from glaucoma is to get a comprehensive eye examination. Then, if you have glaucoma, treatment can begin immediately.

ISIBHEDLELA SASEMSELENI SIQWASHISE UMPHAKATHI NGESIFO SOFUBA KANYE NOKUHUSHULWA KWEZISU OKUNGEKHO EMTHETHWENI.

Umnyango weZempilo, esibhedlela saseMseleni sigubhe usuku lukazwelonke lokulwisana nesifo sofuba endaweni yeseHluhluwe namaphethelo. Lolusuku olubeyinqayizivele njengoba Umphakathi uphinde waqwashisa ngokuhushulwa kwezisu okungekho emthethweni(unsafe abortion). Phela isibhedlela saseMseleni besiphume lomkhankaso kanye nethimba elivela emnyangweni ophezulu (District Office)
ukuzoqwashisa belu uMphakathi.

Bekuqwashiswa edolobheni lonke ngalesifo sofuba njengoba uNdasa kuyinyanga yokuxwayisa ngalo leligciwane. Lapha ithimba labeZempilo ophikweni olubhekelele ukuzivikela kulesifo .

Ukuvikela kugcono kunokwelapha/Prevention is better that cure!

Okube yinjabulo kuloMphakathi ukubona uMnyango weZempilo ubakhathalela njengoba bebevele babone ngethimba leZempilo selithi memfu bengazelele lapho behlala khona (door to door) okubalwa ilokishi elakhele lendawo kanye nendawo lapho behlala khona bezama impilo (Tin Town). Phela uMnyango weZempilo umele ukuqikelela ukuthi umphakathi wazikangakanani ngeZempilo nokuthi kubaluleke kangakanani ukuvashela umtholampilo oseduzane ungaze uhlaselwe ukugula emzimbeni kodwa kufanele baye ukuzihlola ukuthi impilo isahamba kahle njengoba imitholampilo ingeyabo. uNkz Themba (Umphathi obhekelele uphiko lezempiloeMkhanyakude) obeyingxenye yalomkhankaso nanye ukutusile lokhu, uphinde wagququgguzela abesilisa ukuthi mabasoke phela njengoba kungenye yezindlela ukusiza ukunciphisa amathuba okuthelelana ngezifo baphinde futhi basebenzise ijazi lomkhwenyana okungukuvikela okumbanxambili (Dual protection).

Kwesokudla :u-Nkkz Themba (District Manager)obengomunye obehambele lomkhankaso kanye noMnu S.J Mdletshe(Umhlengikazi ohambela emakhaya)

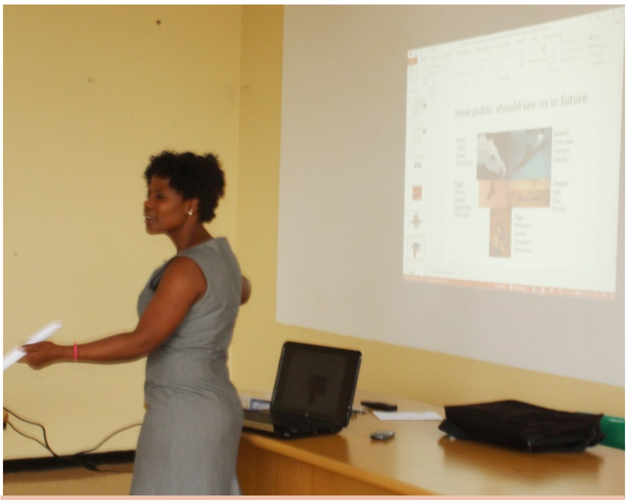
ULwazi (Information)lungumanqoba!

"Njengoba nebhayibheli lisho abantu bayabhubha ngenxa yokuswela ulwazi'

Ngenhla kwesekunxele: Abezempilo bexwayiswa ngobungozi bokuhushulwa kwezisu okungekho emthethweni emadolobheni kanjalo nakubathengisi. Kwesokudla: Sister JS Mnguni (uMhlengikazi ohambela emakhaya(WBOT) eMseleni enikeza ulwazi ngobungozi bokungavakasheli uMtholampilo komunye wabahlali bakulendawo.

Sisonke siqhubekisela iNingizimu Africa phambili! "Phambili ngomkhankaso weZempilo "

During Batho-Pele In-service Training



The facilitator : Ms ZN Mtshali (PRO Intern)

Batho-Pele training on progress!

On the 27 January 2016, Mseleni Hospital staff members had In-service training on Batho-Pele (people first) principles.

Patients will always be the priority and their Rights should be respected . Mind you! Mseleni Hospital won Batho-Pele Gold Award 2015 Nationally.

This is how we maintain the standard of service and a high quality of care to our clients (customer care).

Injabulo kuvaleliswa abasebenzi esibhedlela

Phakathi nendawo: Nkkz S Mbonambi obevaleliswa njengoba esethathe umhlalaphansi. Ngenhla kwesokudla: Abafundi bevalelisa ngomculo. Phansi kwesokudla: uThishomkhulu weskole NkK Mofoekeng ebonga iqhaza elinziwe Mkz Mbonambi

Isibhedlela saseMseleni sivalelise abasebenzi abebeyingxenye bebambe iqhaza emsebenzini. Lokhu phela bekufakazelwa yimisebenzi, iqhaza bebelidlala kanye nasekuzinikeleni ukuze umsebenzi uphumelele . Nakubake kungemnandi ukwahlukana kodwa konke kunesikhathi sakho. **Kuvaleliswe obenguthishela esikoleni saManesi okungu Unkz Mbonambi, Mnuz Mahlobo (obebhekelele kwezokuchwepheshe wezakhiwo) kanye noMnuz S Manukuza(obesebenza ngaphinsi kwehovisi lezimali (Bugdet&Expenditure)**

Isithombe sithathwe kuvaleliswa Mnuz N.T Mahlobo emcimbini obuhlelwe enye yenxenye yabasebenzi.

Ezintsha / upcoming! (Blood donor drive at Mseleni Hospital)

Isibhedlela saseMseleni naso sesizoba ngesinye sezibhedlela esizonikela ngegazi kungekudala nje. Lokhu phela bekuyisifiso saso ekubambeni iqhaza ekusizeni izimpilo zabantu njengoba sazi ukubaluleka kwegazi emzimbela. Kanjalo noNgqoqhoshe weZempilo kwa-Zulu Natal uDokotela Sbongiseni Dhlomo uyakuqguqguzela lokhu njengoba naye ungomunye wabalusizo kuloluhlelo Isibhedlela sibesesixoxisana nalesisikhungo SANBS(South African National Blood

Service) Ngakho abasebenzi bayacelwa ekwenzeni loluhlelo lubeyimpumelelo. Wonke muntu uzokwaziswa uma usuku seluhleliwe .

Mseleni hospital will be the one of the Hospitals in donating with blood very soon. This was the Hospital wishes to support those who are in need of blood as we all know the importance of blood. KZN MEC for Health, Dr S.M Dhlomo usually encourages people to also donates, as he is one who is supporting this programme . Staff are also encouraged to support this initiative.

Note from the Public Relations Office

I would like to take this opportunity and thank the almighty God for giving me such an superlative opportunity to serve at Mseleni Hospital. Now, it is the end of my adventure. I was very much grateful to become the part of Mseleni Hospital family. I would also like to extend my gratitude to the District Management for this opportunity that was given to me and to the Mseleni Management for keep on trusting me until I finished my Internship in this office. I am very proud of you Mseleni Hospital. Never forget to also extend my heartfelt to my Mentor Mr. T.S Ntuli (Former PRO) who taught me, now I am a deliberate and competent Public Servant (cadre). I will never ever forget you Mseleni staff members, you are in my heart. Hopefully God will make a plan for me. As I am leaving, I wish you all the best, keep on doing good work more specially in serving clients with respect & dignity, a high quality of services you are rendering in the community. Remember! You bring a good reputation of the hospital at large and you keep Mseleni Hospital shining. By doing so you will remain cheering as you all know that Mseleni Hospital is a National Champions of customer care and that will never ever change. In a nutshell I am very proud of you Mseleni as a whole.

Whatever you are doing do it in love
(Konke enikwenzayo nikwenze ngothando)

Thank you/Dankie/Ngiyabonga!
