This year we did Pharmacy month with a loud thud , as we made our ready for change felt. We dedicated the entire week planning around all the things related to Pharmacy. We kicked off with a career day at Utrecht Primary School then we moved on to Luthilunye Combined School and Ngcaka Combined School-

for interactive fun talks and prizes giving to all the learners. The week was closed off with a scavenger hunt at Niemeyer Memorial Hospital giving education to our staff members about the importance of medicinal compliance and keeping a healthy lifestyle.

# HERITAGE MONTH 2023

East meets South.

HERITAGE  
MONTH  
2023

The Niemeyer Memorial Hospital Committee comprising of diverse creative minds decided to host a “traditional wedding” between a highly controversial couple, Zama Shange and Mxolisi Dubazane (Mxolisi is a Zulu man often misunderstood and Zama is a woman with Eastern roots. The wedding preparations kicked off with Lobola negotiations which was a festivity on it s own. A week later on a drenching springs day we burst forth in a beautiful spectrum of colors and song, as we joined the couple in an educational ceremony of two cultures coming together. We closed off with traditional cuisine from various cultures as we danced and laughed the day a way !
