Mr M.N Hlela (Monitoring & Evaluation Manager)

On behalf of the Management , first and foremost it is indeed so important for me to pass my gratitude to the hospital Information Team for the effort and hard work in pushing and ensuring that the last Quarter Sub-District Operational Plan was submitted in a state of completeness despite some challenges.

Secondly, we have the Maternity project underway which came with lots of instability around the hospital like space shortage, office space, interruption of water supply *etc*, so let us hold each other's hand during this period as it is for the best for all of us.

Heritage Day Celebration, what can I say?, **Thanks to the whole organizing team** without mentioning names but how can I not mention the one and only **Mgijimi**. Lastly let me take this opportunity to welcome **Dr L.S Sangweni** (Medical Manger), **Mr M.N Hlela** (M&E), **Mr S.C Xulu** (OMN-Night Duty) as well a **Ms N.C Sibisi** (PHC Manager) and to say goodbye to the ever present and hardworking **Ms Sihle Mathenjwa** (QAM) who left for Ntseleni CHC, what a loss.
