# QUEEN NANDI REGIONAL HOSPITAL

## GLITS AND GLAM—YEAR END SPECIAL EDITION

CLOSING 2025

**Q**ueen Nandi Regional Hospital recently held its prestigious Year-End Function and Service Excellence Awards, a celebration dedicated to acknowledging the dedication, compassion, and hard work of its staff. Under the fitting theme “Honouring the Hands That Heal,” the event highlighted the remarkable contributions of healthcare workers who continue to uphold the

hospital’s commitment to quality patient care. The ceremony brought together staff from various departments, creating a joyful atmosphere of unity, reflection, and appreciation. Leaders of the institution expressed deep gratitude for the resilience shown throughout the year, recognizing the many challenges faced and the unwavering commitment to service delivery.

Awards were presented to individuals and teams who demonstrated exceptional performance, professionalism, and a strong commitment to patient-centered care. Whether through clinical excellence, innovative solutions, or consistent dedication behind the scenes, each award recipient

embodied the spirit of service that defines Queen Nandi Regional Hospital.

The celebration also served as an opportunity to strengthen staff morale and reinforce the importance of teamwork in the healthcare environment. Through music, speeches, and shared moments of appreciation, the event closed the year on a hopeful and inspiring note.

As the hospital looks forward to a new year, the theme “Honouring the Hands That Heal” continues to echo as a reminder of the invaluable role every staff member plays in delivering compassionate and quality healthcare to the community.

## A MESSAGE OF STRENGTH AND INSPIRATION

**W**arm greetings to everyone  
Allow me to begin by extending my sincere appreciation to each and every member of our hospital family.

Throughout the year, you have shown extraordinary resilience, compassion, and professionalism in serving mothers, infants, and families who depend on us for hope and healing.

Our work is not always easy, yet day after day, you come to this institution with commitment in your hearts and excellence in your hands.

To our Board Members, thank you for your continuous guidance and oversight.

To our social partners and supporters, thank you for standing with us and to every staff member, from the wards to the offices, from the operating theatre to the security gate, thank you for your contribution to our shared mission.

As we look back on the past year, we can take pride in how far we have come. We have strengthened our maternal and neonatal services, improved patient outcomes, and enhanced the quality of care for the communities we serve.

We have faced challenges from resource limitations to high patient demand yet we have persevered with innovation, teamwork, and compassion.

Every safe delivery, every recovered child, every grateful family is a testament to your dedication and skill.

As we prepare to enter a new year, let us carry forward the lessons we have learned and the spirit that binds us together.

The health needs of mothers and children continue to evolve and so must we.

Together, we must strengthen our focus on quality improvement, patient safety, staff development, and innovation.

We must continue to build a hospital environment that supports not only healing but also compassion, respect, and accountability.

With unity of purpose and a shared vision, I am confident that we can continue to make a lasting difference in the lives of countless families who entrust us with their care.

In closing, I wish to express my deepest gratitude once again to all of you — our hospital staff, our partners, and our leadership team.

Thank you for your service, your dedication, and your belief in the power of compassionate care.

May the coming year bring renewed energy, continued excellence, and even greater impact in the lives of the mothers and children we serve.

Wishing you all a Merry Christmas and a happy new year. Enjoy responsibly. Thank you, may God bless you all.
