**Connection of new building to generator and  
install security light.**

**AT**

**Fredville Clinic**

**DEPARTMENT OF HEALTH**

**ZNQ No:** 171 / 22 / 23

PROVINCE OF KWAZULU-NATAL  
DEPARTMENT OF HEALTH

ZNQ .....

Fredville Clinic

Services: Connection of new Building to Generator and install security light.

Project specifications

1.1 Scope of Contract

- Connection of new Building to Generator and install security light

1.2 Contract Drawings

This quotation document is to be read in conjunction with the drawings listed below which is issued together with this document.

**Drawing No: N/A** (attached drawings, pictures are not to scale either engineers drawings but just sketches for easy of reference.)

These drawings may be updated from time to time during the course of the Contract, and the Contractor must ensure at the time of the installation that he has the latest copy of all drawings. No claim will be considered for work, which requires to be changed due to the use of outdated drawings.

1.3 CONDITIONS OF CONTRACT AND PRELIMINARIES

1.3.1 PERIOD OF CONTRACT AND

Four (04) *Weeks* as the Contract Period for the completion of the Work from date of Site handover.

1.3.2 MINIMUM REQUIREMENT

- (1) Minimum CIBD grading requirement; 1EB
- (2) Proof of trade as an electrician: Trade Test Certificate
- (3) Proof experience on similar Project: Completion certificate

1.3.3 CONTRACT GUARANTEE:

The Successful Bidder will **NOT** be required to submit a contract guarantee.

1.3.4 GUARANTEE PERIOD

The guarantee period for the completion of the Structural work and all materials must be a minimum of Three (3) Calendar Months from the date of first delivery.

1.3.5 SITE AND MODE OF PROCEDURE

The work contained in this contract will be carried out on the existing site at Fredville Clinic.

The Bidder is advised that the existing premises will be occupied throughout the period of the contract, and that the minimum amount of disruption to services is of the utmost importance. The bidders shall be aware that the work may be required to

be done after hours or on weekends and shall make necessary arrangement if so called for.

Damage to the existing buildings - Bidders to note that any damages done or occurring to any of the buildings will be repaired at the expense of the contractor/bidder. The project or installation must be to the satisfaction of the Kwazulu- Natal Department of Health. Bidders are advised to visit the site prior to tendering and to acquaint themselves with the nature of the work to be done and access to the siting of the existing buildings etc., as no claim whatsoever will be allowed on the grounds of ignorance of the conditions under which the work will be executed.

### **1.3.6 SATISFACTORY INSTALLATION**

The project must be to the satisfaction of the KwaZulu- Natal Department of Health. Bidders are advised to visit the site prior to tendering and to acquaint themselves with the nature of the work to be done and access to the siting of the existing buildings etc., as no claim whatsoever will be allowed on the grounds of ignorance of the conditions under which the work will be executed. All equipment and materials used in this contract shall be that which is specified or other approved

The project shall be carried out in accordance with the South African Bureau of Standards Code of Practice for the application of National Building Regulations, the KZNPA Standard Preambles to all Trades, the KZNPA General Electrical Specification, ICASA, Telecommunications regulations, the South African Bureau of Standards Code of Practice for the Wiring of Premises SABS 10142 and the Occupational Health and Safety Act and Regulations 85/1993 as amended. Copies of the KZNPA Standard Preambles to all Trades and the KZNPA General Electrical Specification are available at the office of the Secretary for Health – KwaZulu-Natal and can be obtained on request.

## **2. TECHNICAL SPECIFICATION**

### **2.1 GENERAL**

This TECHNICAL SPECIFICATION shall be read in conjunction with all other sections of the SPECIFICATION and cognisance shall be taken of the clauses relevant to this particular installation, whether any specific clauses are referred to or not.

#### **MATERIALS FROM THE ALTERATIONS: —**

Unless otherwise stated, will become the property of the Contractor and all these materials, together with all rubbish and debris must be carried away and the site left clean and unencumbered.

Items described as "removed" shall mean removed from the site.

Items described as to be re-used or to be handed over to the Administration are to be dismantled where necessary and stacked on site where directed, and the Contractor will be responsible for their removal and storage until required, and shall make good all items missing, damaged or broken at his own expense.

Unless otherwise described, no materials from the alterations shall be re-used in any new work without the written approval of the Department.

In taking down and removing existing work, particular care must be taken to avoid any structural or other damage to the remaining portions of the buildings. The project leader will monitor and inspect various stages of the project

## 2.2 **Standard Preambles**

This (Copy) is available from the department on request.

## 4. **SCHEDULE OF RATES**

### 4.1 **ITEMS AND PRICING**

The Department reserves the right to place an order for any quantities of items included in the Schedules. The Schedule of Rates must also not be assumed to include and describe every detail of the supply requirement, but must be taken and read in conjunction with the other parts of the document. Thus the supplier shall not have claim for further payment in respect of any order which may be described or implied in the contract, although apparently no corresponding items are given in the Schedule of Rates. The supplier shall be deemed to have satisfied himself before quoting as to the correctness and sufficiency of his quote for the contract and of the rates and prices stated in the Schedule of Rates.

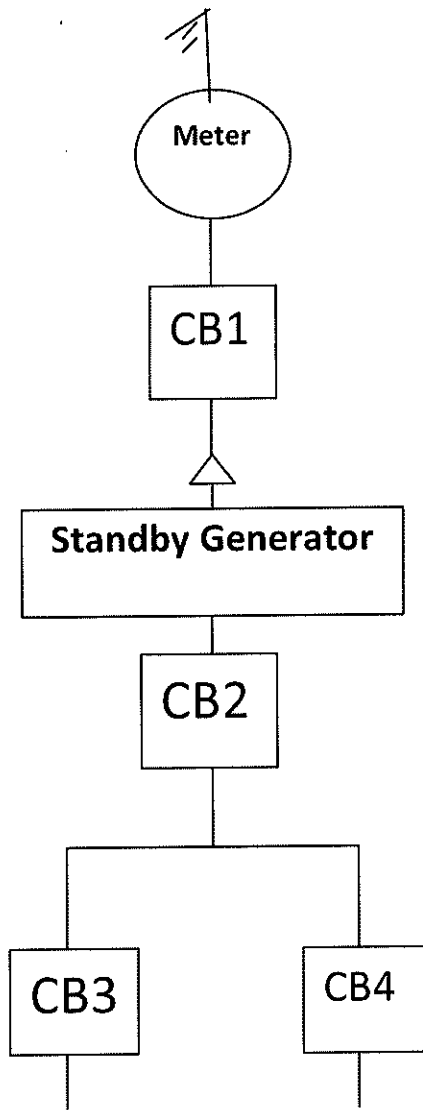

### 4.2 **TAX AND DUTIES**

Prices, quoted and paid, must include all customs, excise and import duties, and any other tariffs or taxes levied by the government or statutory body having jurisdiction on the goods provided under this contract, **including Value Added Tax (applicable to the current rate).**

### 4.3 **RATES**

Except where provision is made in the Schedule of Rates, the rates and prices inserted shall be the full rates and prices for the service delivered described under the respective items and shall cover all labor, transport, overhead charges and profit, etc. as well as the general liabilities, obligations and risks arising out of the Conditions of Contract, the overhead charges and profit being spread proportionately over the rates of the relative items in the Schedule of Rates.
