GROWING KWAZULU-NATAL TOGETHER

October 2023

“Sibusisiwe Isandla Esiphayo Kunesamukelayo”

“Trust the still, small voice that says, this might work and I’ll try it. Decide to have the courage to try new ways today. Your future self will thank you”. – (Diane Mariechild)

(01)

It was one morning when Mrs Memory Green –Cleaning Supervisor was busy fixing the curtains and singing her praises to God. When she glanced over the balcony she saw a long queue of patients waiting for their turn to be seen in the urology clinic. This clinic services patients that come from different backgrounds. Most of these patients are coming from financially disadvantaged backgrounds Some of them come to the clinic without having any breakfast.

From the left : Mrs Hlengiwe Cele and Mrs Memory Green preparing the sandwiches for the patients.

In that instance she felt something so strong in her heart saying “You need to do something about this “ Immediately she approached her team of employees and expressed what she felt. The team voluntarily wanted to be part of this vision. When speaking to one of her colleagues she remembered that Jesus was able to feed 5000 people with 5 loafs of bread and 2 fish. They too can be able to extend a hand and provide a snack for these patients.

On 04 October 2023, the team joined hands in preparing sandwiches, muffins, coffee and tea for the outpatients that came to the clinic.

Seeing the joy in the patients eyes as they received the meals with such gratitude brought a lot of satisfaction and peace knowing that Mrs Green was obedient to her Father in heaven.

The team agreed to embark on this initiative every Monday and Wednesday.

Tsebo cleaning staff delivering meals to the patients.

This initiative is fully supported by management and everyone is encouraged to give back seeing that this act has brought so much sense of purpose to Mrs Green and her team.
