# *St. Andrews bids its CEO Farewell in style*

It was a lovely day indeed as St. Andrews bid farewell to its CEO on the 28<sup>th</sup> May 2015. The event was attended by plus/minus 250 people i.e. Amongst many others was the Ntleko family, hospital board, traditional healers, religious leaders, the NCS team and the Umuziwabantu Municipality team. Mrs. Ntleko is still our pioneer and we wish her everything of the best for her future endeavors.
