**AMENDMENT**

<b>Date: 28 February 2024</b>	<b>File No:</b>
-------------------------------	-----------------

<b>SUBJECT: WENTWORTH EMS BASE: GENERATOR REPLACEMENT ZNB 5168-2024-H: SITE BRIEFING AMENDMENTS</b>		
<b>Page Number</b>	<b>Item Number</b>	<b>Description Amendment</b>
56	-	This page is to be replaced by the Document “ <b>1. Wentworth EMS Base - Generator Replacement ZNB 5186 Price Page 56</b> ” which has been uploaded onto the website.
111-115		The following pages are to be replaced by the Document “ <b>2. Wentworth EMS Base - Generator Replacement ZNB 5186 BOQ and Price Page 111-115</b> ” which has been uploaded onto the website.

General:

1. The bill of quantities MUST be read in conjunction with “**2. Annexure 10 - Project Specifications - Wentworth EMS Base - Generator Replacement**” which has been uploaded to the website.
2. The Contractor is to bid for and **OUTDOOR canopy set** and no building is required as was discussed at the site briefing. This is to ensure uniformity and fair pricing for all contractors.
3. **Kindly take special note of all items in BOLD and HIGHLIGHTED in yellow.**
4. **There are a total of 6 documents uploaded to the website for amendments including this document.**
5. Due to the critical nature of this installation, ONLY genuine and accredited DIESEL GENERATOR SET MANUFACTURERS / ASSEMBLERS **with Local 24 hour support and IN HOUSE maintenance facilities will be considered.**
6. When pricing this document, allowance must be made for the installation to be carried out after hours and / or over a weekend at a time suitable to the KZN Department of Health’s institution. This will also include provision for a **portable loan unit and LV panel during installation.**

Kind Regards,

**J. Pillay**
