AMENDMENT

Date: 11 OCTOBER 2024	File No: ZNB5217/2024-H
SUBJECT: 3-YEAR SERVICE, REPAIR AND FUEL REMEDIATION OF CLINIC GENERATORS WITHIN THE ILEMBE HEALTH DISTRICT	

Page Number	Item Number	Description Amendment	Comment
40	1.2	"replacements and upgrades" to be removed and should read as : "The contract is for servicing, maintenance and repairs. Servicing shall be done as per the service and maintenance schedule developed by the Project Leader (Management Hub Engineer) which will serve as the contracted program."	
54	1	**Maintenance Contract/Project: is any maintenance contract where the Contractor has been appointed for a minimum of 12 months for the maintenance, service and repair of generators and fuel remediation and of similar value (but not less than R1,000,000.00)	
56-59	n/a	Bill of Quantities finalised and Price Page to include VAT	
61	n/a	Facility List finalised with descriptions	

Pages 54, 56-59 & 61 must be replaced with the documents within this amendment.

Kind Regards,

J. Pillay

Electrical Engineer

eThekweni Management Hub

11 October 2024

ZNB5219: 3-YEAR SERVICE, REPAIR AND FUEL REMEDIATION OF CLINIC GENERATORS WITHIN THE ILEMBE HEALTH DISTRICT

Phase 2: Functionality Evaluation Criteria

Bidders shall be evaluated on their execution plan and best practice approach (safety plan).

TECHNICAL EVALUATION CRITERIA

The Technical evaluation can be seen below. The requirements for the bidder to be functional, a minimum threshold of **70%** should be obtained. The weighting for Functionality at a total of 100% is as follows:

	<u>Evaluation Criteria</u>	<u>Deliverables</u>	<u>Points</u>	<u>Sub-Points</u>		<u>Sub-Criteria</u>
1	Competency and experience of the tenderer on similar type of maintenance contracts/projects	The following documents to reflect the information captured in the schedule of projects: - Attach Letter of Award/Order - Attach Reference Letters - signed by the Institution Client/Engineer /Principal Agent - **Maintenance Contract/Project: is any maintenance contract where the Contractor has been appointed for a minimum of 12 months for the maintenance, service and repair of generators and fuel remediation and of similar value (Not less than R1,000,000.00)	50 Points	50	Sub-points	Submission of Full information on five (5) or more maintenance contracts/projects of similar project value and scope in the past 10 years or less.
				30	Sub-points	Submission of Full information on two to four (2-4) maintenance contracts/projects of similar project value and scope in the past 10 years or less.
				0	Sub-points	Submission of less than and equal to one (1) maintenance contracts/projects of similar project value and scope in the last 10 years or no information or incomplete information. (0 Points)
2	Tenderer's Project Experience of Resources Proposed for the Project	Tenderer to include the following information: - All names and surnames, roles, designations & capacity clearly outlined, CVs and Copies of qualifications for all personnel.	40 Points	20	Sub-points	Trade Tested Diesel Mechanic with proof of experience (more than 5 years post qualification) in generator maintenance, servicing and repairs. - Attach copy of relevant CV with relevant experience and traceable references (10 points) or else no points will be scored (0 points) - Attach copy of trade test certificate (10 points) or else no points will be scored (0 points).
				20	Sub-points	Electrician with Wireman's Licence OR Installation Electrician with experience (more than 5 years post qualification) in generator servicing, maintenance and repair. - Attach copy of relevant CV with relevant experience and traceable references (10 points) or else no points will be scored (0 points) - Attach copy of trade test certificate AND Wireman's Licence OR installation Electrician Qualifications (10 points) or else no points will be scored (0 points)
3	Tenderer's ability to respond to call-outs and breakdowns within the district	Tenderer to include: - Proof of location	10 Points	10	Sub-points	Submission of Proof of location (Offices/Workshops) within the ILEMBE District (10 Points) or else no points will be scored (0 points).
Total points			100 Points			

Failure on the part of a bidder to submit proof of company registration documents for the specific goals for preferential points together with the bid will be interpreted to mean that preference points for specific goals are not claimed.

1. The department reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the department
2. **The same resources CANNOT be used across multiple district contracts i.e. Technician John Mhlongo assigned to this bid/district should not be assigned to another bid/district in the clinic generator maintenance contracts.**
