KUQWASHISWE NGOKUBALULEKA NGOKUGEZWA KWEZANDLA

Bekukuhle kudelile esibhedlela Untunjambili ngomhlaka 08 May 2024 abasebenzi begqugquzela ukugezwa kwezandla. Inhloso bekungukuqwashisa umphakathi ngobungozi bokuthelelana ngezifo kuthina nabantu esisondelene nabo ngenxa yamagciwane acasha ezandleni abe esedlulisa ukugula lapho kuthintwa ukudla noma zibamba la kubamba khona abanye. Izandla kumele siqikelele ukuthi siyazigeza ngamanzi nensipho, uzisule ngethawula elihlanzekile.

ENGLISH VERSION: Untunjambili Hospital had a good day on the 8th of May when employees were encouraging the community about the washing of hands. The campaign was meant to sensitize about the danger of germs hiding in palms and fingers then later turn to be diseases when one is touching food or public surfaces where other people are touching. We need to ensure that we wash our hands with water, soap and dry it well with paper towel or clean dry towel.

KIND REMINDER:

FROM IPC OFFICE TO STAFF
FLU VACCINE IS AVAILABLE
KINDLY VISIT STAFF CLINIC.
