NURSE'S DAY OF PRAYER

Untunjambili had hosted a Nurses Day of Prayer on the 28th of May 2025, it was right inside the Facility Main Boardroom

Untunjambili Hospital Nurses were pleased to be honored by the presence of Guest Speaker DMN Z. Langa from Ndwedwe CHC, who is seen on the Right hand side picture holding a gift from that Untunjambili Hospital DMN IMF Buthelezi handed over to her.

Every year from 12 May 1820, the Lady called Florence Nightingale who is the Founder of Nursing Profession Department has seen the importance of dedicating and commemorating this day as a Special Day of celebrating the Nurses hard work. It has been noticed that the nurses are the spine in all Health Care Facilities and are working very hard without getting enough appreciation, the nurses are not working as ordinary people but doing extra miles and are trusted by the Living God to care for His people, Nurse's Pledge has been composed to remind and revive the Love, Care, Spirit of God, as well as ethics and professionalism.

An appreciation goes to all staff who actively participated to make this day a success, TANSNAT Transport who generously covered the meals and decorations, how can Old Mutual and Denosa be forgotten, the tokens of appreciation had won the hearts of the Nurses. Thank you so much to the Creator, the Almighty who made it all possible.

Amandlalathi Clinic Open Day

Amandlalathi Clinic, one of Untunjambili Hospital Clinic had hosted their Open Day on the 10th of July 2025.

The Paramed Team was part of the event in order to get an opportunity to share the information about extra services rendered at the Clinic. It was heartwarming to share with clients that the reason they visit Clinic every week is to meet them halfway, so that they do not spend much for services like : Dental Care, Physiotherapy, Social, Speech, Occupational therapy and Medical care.

The Clinic Health Care workers gave clarity on the Clinic operational hours, nutrition, Minor ailments/ Chronic Stream, mother and child, chronic appointments and pick up points. The patients were given a chance to ask questions CEO- Ms. C.N Ndadane, Clinic OMN N.D Libela, AMN B.L Hlongwane and Sr T. Nkosi were giving answers to all asked questions.

A PRACTICE FIRE DRILL

Untunjambili Hospital outpatient Department had conducted a practice fire drill on the 10th of April 2025. The staff and outpatient enjoyed the practice as it was very beneficiary for everyone.

The purpose of the fire drill practice was to prepare people for a real fire emergency. They were joined by Mr. Cebo Gumbi, the Health and Safety Officer of Sundumbili CHC. The busting action started when nobody was aware because Untunjambili Hospital Acting Health and Safety, Miss Sinegugu Thembokuhle Gasa wanted to test how people would react to an unexpected fire explosion disaster.

Miss Gasa was intrigued how the staff responded to the faked fire explosion, they professionally removed the OPD patients to the nearest Assembly point while observing precautions and response time.
