## THE 1.1 MILLION ART/TB CLOSING THE GAP CAMPAIGN, REGIONAL ACHIEVEMENT AWARDS 2025

## 1.1 MILLION ART/ TB CLOSING THE GAP CAMPAIGN REGIONAL ACHIEVEMENT

**T**he Campaign's Overarching Goal is to: more ground as it is already embedded and have Close the 1.1 million HIV and TB Treatment expression platforms at district.. Critical stakeholders Gap by December 2025 to achieve the 2nd like social cluster are represented. Active integration 95% target. The key priorities was to with provincial priorities and campaigns of Universal increase access to HIV and TB treatment., improve Coverage, Improving Patient Experience of Care, and men's health services., enhance pediatric and reducing Morbidity and Mortality. adolescent HIV and TB care, particularly in provinces with the most significant gaps. to the UNAIDS "95-95-95" targets, the second "95%" target refers to 95% of people diagnosed with HIV receiving sustained antiretroviral therapy (ART); essentially meaning that once someone knows they have HIV, they should be started on treatment with ARV medication at a rate of 95%. The strategy to close the gap in HIV and TB Treatment is hinged on Integrated Multi-Sectoral Health Promotion and Wellness Strategy. Opportunity to reach

The strategy is to implement population-based interventions which are also geographic focused in targeted hotspots. This new strategy is aimed at mobilizing other stakeholders as a client retention strategy. The activities embarked on as King Cetshwayo District were intensification of outreach services which focus area targeted and move to the next area. The comprehensive service delivery approach in a targeted area was the service model used, this approach appreciated by our communities.
