**OCTOBER  
2017**

Zululand District Task Team for Operation Sukuma Sakhe has once again worked together to build caring and sustainable communities for all in Zululand District. The OSS team will be implementing Operation Mbo's across the District, in an effort to achieving Government goals and the 14 outcomes of Government. The rural community of Ngoje under the Abaqulusi local Municipality benefited in an Operation Mbo on the 14 October 2017. The Operation Mbo forms part of taking Government services to the community under the Operation Sukuma Sakhe banner. Community men and women the elderly and young packed the Ngoje High school in Ngoje ward 1.

This event saw several Government Departments such as the Health, Sports and Recreation and Home Affairs offer services to scores of beneficiaries on the day. Operation Sukuma Sakhe District Task Team Deputy Chairperson Mr Nhlakanipho Ngema was also present on the day together with local community leaders. Ward Councilor Mr Nkosi did a walk about introducing Ms Nhlabathi the Mayor for Pongola local Municipality. A Medical Male Circumcision camp was done on the day at Louwsburg Clinic.
