Clinical Programmes Manager

**Mrs Linda Dlamini**

# ZULULAND HEALTH DISTRICT WELCOMES NEW STAFF

## New Clinical and Programmes Manager will deliver on key health outcomes

**Mrs Linda Dlamini, the recently appointed Clinical and Programmes manager, joins the Zululand Health District with a wealth of knowledge and experience.**

Linda has spent 28 years in the public service, the first 5 years of which she was a student nurse at Ngwelezane hospital. In 1995 she joined the Professional world as a professional Nurse at Ngwelezane Hospital she also had a stint overseas working at the Sanford House for the old, in England. She is an avid researcher and has been equally exposed to the private and non-governmental sector. She has worked for the University of KwaZulu - Natal, as a Clinic Coordinator.

Linda comes with a wealth of knowledge and experience having re-joined the Department of Health in 2008 as a HAST coordinator at the then uThungulu Health District (now King Cetshwayo Health District). She later on was promoted to Provincial Deputy Director: ART Coordination in 2015.

“We look forward to working with Linda. Her duties as Clinical and Programmes manager play a key role in supporting health programs and this role in the past left out the clinical side, but I hope Linda will be able to incorporate the two”, said Mr Vusi Vilakazi, District Director for Zululand Health District when he welcomed Linda to the district.

She has a B Cur Degree, a Diploma in Nursing Education with the University of Zululand, a Diploma in Nursing Management with the University of Stellenbosch and a PHC Diploma with the UKZN. She has various postgraduate masters level degrees as well in her bag, an MPH and a Masters in Nursing with the University of KwaZulu Natal.

“Walking into the district office on my first day awoke memories of my past years when I used to support the district with CQI activities, it just felt like coming home”, said Linda in her cosy office.”
