HAVE A BLESSED HOLIDAYS AND PROSPEROUS NEW YEAR

Mr JB Thusi-Office Manager: Zululand Health District

Shalom! This is a Hebrew word which simply means "peace". However, today in Israel it is used as a greeting, a blessing and a message of goodwill. May I therefore say to the readers of this bulletin Shalom. We all know that during this season people's hearts, Christian and non-Christian alike seem to open up. They become more generous, forgiving and more importantly, they want to spend the time with loved ones. This is all well and good. I would also like to take this opportunity to wish the readers, particularly in the Zululand District, a blessed holiday season and a prosperous new year for them and their families. Like the Apostle Peter in the scripture verse above, I would like to call for focus, to keep important things important. The context of the verse is that he was teaching about freedom in Christ, as believers were seemingly debating whether certain foods were to be consumed by believers or not .

In this season we may find ourselves spending more time and money on what to buy for one another, what to cook and where to go and so on. But the truth is that all that passes quickly and we soon find ourselves tired, lonely and empty again. The truth is that whether one is a Christian or not, there is no joy without peace, no peace without righteousness. **To be righteous means to have the right standing with the Almighty God. Jesus said until you make peace with God, you will always feel inadequate, anxious and fearful. Joy is an abiding state of mind. You simply have to make up your mind to be joyful, no matter what.** J B Thusi

MESSAGE FROM COMMUNICATION OFFICE

It is that time again where millions of people around the world celebrate Christmas Day. Basically, in this day we celebrate the birth of The Son of God Jesus Christ.

Many people celebrate this day in different ways, Christians celebrate this day by going to church to be close to God while others slaughter animals to please their ancestors. Most people usually spend this day with their loved ones, and everyone gets an opportunity to receive as many presents as possible because this day also symbolizes the time of given as God gave us His only Beloved son to the world. The Communications office would like to wish the Zululand District staff and its institutions a Happy Christmas Day and a Happy New Year.

We urge everyone to be a responsible citizen. Whatever you plan to do during this festive season be it partying, taking long journey's or going for church conferences, make sure that you do it right and do not forget to drive responsible because speed and alcohol kills.
