## CAKE SALE AT DENTAL UNIT

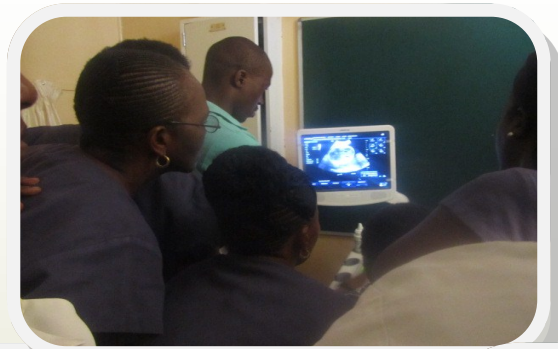

Dental unit hosted a cake sale, its aim was to raise funds for children that are admitted in the hospital. The activity was done in the front foyer of dental unit, where scones, cakes were sold. It is also a area where most hospital staff members pass when going to the tuck-shop. The cakes were all sold out and the money collected will be used to buy playing toys as well as educational toys for the kids at Peads, OT, and other units. Big up to the DENTAL TEAM for the team spirit they have portrayed

# **BENEDICTINE RECIEVES A** **NEW ULTRASOUND MACHINE**

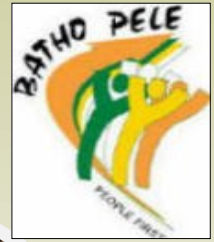

Benedictine hospital has received a new advance ultra sound machine that was handed over on the 02 February 2012. This piece of equipment has modern technology providing the community of Nongoma( especially pregnant mothers) with a printed scanner. The machine is providing the staff of maternity and Radiographers with a better experience and knowledge as compared to the previous one.

“The machine is user friendly and enjoyable to use it. Mr. X . Khoza agrees who is Diagnostic Radiographer It does indeed meet the specification and relevant accessories that are needed. This machine will help the community of Nongoma especially the pregnant mothers to get printed scanner of their babies

# **BATHO-PELE , KZN CITIZENS CHARTER,AND CODE OF CONDUCT TRAINING AT BENEDICTINE**

Theme : "MY PATIENT MY FUTURE, MY COLLEAGUE MY BETTER SERVICE"

Public Relations office conducted an induction training on the 14 June 2012 for the newly employed staff, as part of the Human Resources Development programme . The training was based on the Batho-pele principles, KZN Charter, and Code of Conduct. The purpose for the induction was to educate and revitalizing the newly employed staff on the Batho-pele principles, Citizens charter and code of conduct in the workplace. The code of conduct was educated in order to promote a high standard of professional ethics in the work place , and public servants should be encouraged to think and behave ethically . The training was a success because every employee committed that they will put the patient first at all times.

DIES SOCCER  
TEAM. YOU GO  
GIRLS!!

On the 29th June 2012 Benedictine hospital was invited by Mbonomuhle community care organization which is a orphanage home at skonkonko area in Nongoma. The purpose of this invite was to celebrate youth month with the youth of Skonkonko, and to give awareness on teenage pregnancy & HIV & Aids. There were lined up activities for the day as, there was also a ladies soccer played. There were messages that were communicated to the youth that they should be responsible citizens and they should not do drugs. The day was full of information sharing on bursaries provided by the Municipality. The Umbonomuhle organization was very greatfull of the talks with the young people as this will make them make right decisions with their lives

## A SUCCESSFUL MASSIVE MMC CAMP AT MAPHOPHOMA CLINIC

Benedictine hospital hosted a MMC Camp at Maphophoma clinic. This massive camp took 3 full days. It started on the 27 –29 June 2012. this camp targeted school going boys as schools were closed and Adults . This period gave them enough time to get healed. Boys from the surrounding area came in numbers to be circumcised. The number of boys that were circumcised were 330 and there were no complications reported. We thank the support from N.G. O MatchTeam , the MMC Committee for working tirelessly to make the three day camp a success, School Health Team , for transporting the Boys, Public Relations Office for co-ordinating catering for Boys and Staff , Maphophoma Clinic Management , clinic committee and staff. The camp would not succeeded with out you !!!!
