Employed by CJM Hospital as an Operational Manager PHC then PHC Supervisor.**

**In September 2013 was employed by Church of Scotland Hospital (COSH) as a Deputy Manager Nursing until November 2018. She then commenced duties as a Chief Executive Officer at Dundee Hospital in December 2018.**

**I'm glad to come back to Endumeni Sub-District, to work again with the Dundee Hospital team which I once worked with previously. With the team that I'm leading I don't doubt that we will take Dundee Hospital to the next level. Endumeni communities will indeed say "Dundee Hospital and facilities supported by Dundee hospital are their facilities not government facilities!!!"**

**I am looking forward to implementing all Department of Health quality initiatives to improve lives of communities we serve. I believe that it is all possible with the community full participation.**

**Dundee hospital management and staff would like to wish Mrs. T T Vilakazi a warm welcome.**

**We hope your stay with us will be a long and prosperous one, building good working relations with the staff, management and the community of Endumeni Sub-district.**

# ZAZI GIRLS CAMP 2019

A massive Zazi girls camp was held at the Environmental centre: Department of Education from 26 - 28 April 2019, the target group was girls from grade 9 - 11, to help empower girls and combat teenage pregnancy.

Learners from the following high schools attended:- Nyanyeni High School, Thalana High School, Boschkloof High School, Ebusi High School, Thangeni High School, Sebenzakusakhanya High School, Dundee Secondary School and ML Sultan Secondary School. A total of 108 girls attended.

This auspicious event was supported by Department of Health, Umzinyathi District Team, Department of Health Primary Health Care, Outreach Teams & CCG's, Department of Social Development and Endumeni Municipality.

After arrival on Friday, 26th April 2019, they young ladies were registered & name tags were done. Lunch was served at 14h00. The girls were happy & excited looking forward to the Camp. After lunch, Mr. Mnguni (PHC Co-ordinator) welcomed the girls & thanked them for coming. He explained the importance of attending these camps & they won't regret it. He emphasized that they must enjoy & learn at the same time. Knowledge is power.

There 3 day event was also filled with other exciting recreational activities and games, singing, dancing and a fun-filled Talent show. Music entertainment was from Thalana, Sebenzakusakhanya, Nyanyeni together with ML Sultan, Ebusi, Zethembe, DSS. Mpume Khumalo.

His Worship Mayor MR. S D Dlamini also addressed the young ladies and expressed words of encouragement "be respectful and be proud of who you are"

Such events were initiated by National Government because of high teenage pregnancy. "Zazi" meaning "Know Yourself", what you want in life & also your purpose for living. Once you know yourself, you will love yourself and protect yourself.

It was emphasized that it's mostly girls who get infected with HIV rather than boys, that's why Zazi Camp was founded and formulated to assist & educate young girls in knowing facts regarding sexual reproductive health, teenage pregnancy, family planning & contraceptives, termination of pregnancy, HIV & AIDS, sexually transmitted infections, etc.

There were many educational topics discussed at the event to groom the young ladies which involved personal hygiene, personal behavior and life coaching.

Zazi camp 2019 was a huge success and all honour and appreciation goes to each and every person who helped in the preparations & success of this magnificent event. We applaud you. Thank you!!!

## **WORLD HAND HYGIENE WASHING CAMPAIGN 2019**

Dundee hospital staff celebrated this day on the 10th of May 2019. The activity of the day was the hand hygiene relay which was going to serve as a reminder to all healthcare workers of the importance of effective hand hygiene to ensure that patient safety is not compromised. The event was organized by Sr. E N Mkhabela (IPC Manager). The aim of the awareness was not only to focus on the fight against infections in the healthcare but was also to highlight how both healthcare workers and members of the public can make a significant contribution towards a healthier, safer hospital environment. Hand Hygiene commitment pledge was signed by the hospital staff including the top management. The theme for this year was **“CLEAN CARE FOR ALL”**

## DUNDEE HOSPITAL BLOOD DRIVE

Dundee hospital staff came out in numbers eager to donate blood at a recent Blood Drive held at Dundee Hospital on the 05th June 2019 organized by SANBS (Newcastle branch).

It's not just blood, its life!!! Each donation is tested and separated into its components, red blood cells, plasma and platelets. Each of these components is potentially given to patients with different conditions ranging from accident victims, cancer patients and women who experience complications during childbirth.

# FIRE & BURNS PREVENTION AWARENESS CAMPAIGN

On the 22nd June 2019 Dundee hospital's Rehabilitation department recently embarked on a march to raise awareness around fire and burn prevention. The march included learners from Ethangeni Combined School and other stakeholders.

The march started at Dundee hospital to the taxi rank, raising awareness to the community about the common causes of burns especially in winter.. The Rehab department highlighted the importance of creating awareness to avoid women and children from getting burnt since there has been an increase in numbers of burnt cases. Helpful tips were given to the community to avoid burns and what to do if someone is burned.

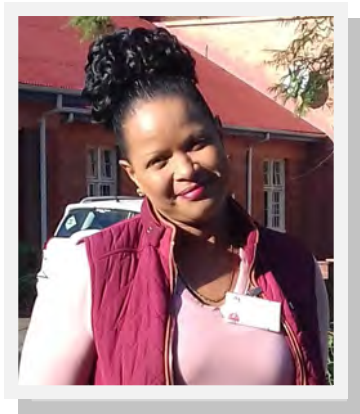

**BURNS AWARENESS**

**THINK SMART AND AVOID FIRES AND BURN WOUNDS**

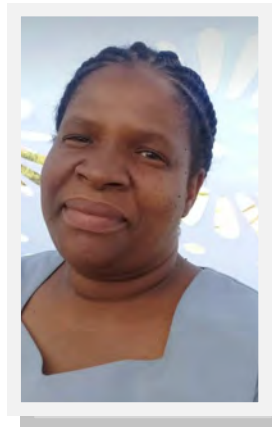

KNOWLEDGE and a little caution can help prevent serious injuries and save many lives – including those of children – that are lost each year due to fire-related adverse incidents.
