FEEL IT, IT IS HERE

MAMA—MAJOLA FROM LAUNDRY FEEL IT HERE

USHER MEMORIAL HOSPITAL WAS CAUGHT BY 2010 FEVER

Friday the 11th of June 2010 marked a milestone for Usher Memorial Hospital. This was because the staff decided to plant a 2010 World Cup Fever to everyone within the hospital. During lunch time Vuvuzelas were blown in areas that are far-

MAISY XAKI LEADING SHOSHOLOZA

way from patients.

Staff and Management were feeling it with S.A. flags and Bafana Bafana Jerseys.

Shosholoza and Diski Dance was all over the show.

Sport animals within the hospital

wishes to thank all who made that day to be a success.

The Hospital management was also supportive on this initiative. All participants ensured that no service delivery was interrupted during this cause.
