Our knowledge, our heritage: Towards the identification, promotion and preservation of South Africa's living heritage.

EMMAUS HOSPITAL HERITAGE DAY 2015

On the last day of Heritage month Emmaus hospital closed off the month by hosting their heritage month in cultural style. All departments took part in the event by dressing up in their different attire and showing off their culture through food.

The diversity at Emmaus hospital is amazing. It shows that we can all work together to improve the lives of our clients.

The different departments took part in the competition. They had to come up with an item (song or dance) that they had to present in front of the departments and of course the clients. Finance department won the competition as they represented their culture well. Congratulations Finance Department. The day was filled with song, dance and lots of delicious cuisines.
