On 18 July 2013 Fort Napier Hospital Management visited EMUSENI OLD AGE HOME in celebration of the life of a true African icon Mr. Nelson Mandela. Management donated much needed items such as blankets and scarfs to the residence.

We are all encouraged to spend at least 67 minutes doing something positive for our communities. The Health Promotions Team visited LANGALAKHE HIGH SCHOOL in eLandskop area in promotion of Mental health awareness. Learners and teachers were informed about substance abuse as it is a major problem affecting their community additionally they were informed about the link between mental illness and substance abuse, additionally as well as treatment for mental illness.

This contribution is one of many in honor of the 67 years that Nelson Mandela spent fighting for social justice and a free, democratic South Africa. Fort Napier staff felt that the donation of time and knowledge on this day would honor Mr .Nelson Mandela's fight for social justice. We all wish him a happy birthday and a speedy recovery.
