GJ Crookes Hospital AT MASEA's

GJ Crookes Hospital receives an Award and Certificate of Appreciation

GJ Crookes Hospital was invited to attend the MEC's Service Excellence Awards. It was with honour and joy when surprisingly the acting HOD Dr. MLB Simelane called up GJC CEO Mrs. SP Nyawo and team to come and receive an award and certificate of appreciation for having participated in events outside the DOH as we were previously nominated and won a Gold award in Premiers Service Excellence Awards 2013/14. Receiving this appreciation award reminds us of the work we have done and that it never went unnoticed, we remain a proud team.
