

HILLCREST HOSPITAL

commemorated Women's Day on the 30th of August 2013, by hosting an exclusive High Tea /Hat Party!!!

All staff were expected to dress up glamorously with formal hats, pictured above, to celebrate this occasion at our Hospital..

An elegant setting was paved out and staff were treated as English Royalty.

On arrival ladies were handed refreshments served stylishly in cocktail glasses. The Master of Ceremony, Mrs. T Gordon, had the crowds full attention.

Our day began officially when ENO Ndlovu, left, opened in prayer.

Thereafter, Ms. Xulu, right, explained the purpose of the day.

As pictured, left, Nedbank did a very informative presentation on the needs of women as well as how to save and invest accordingly for the future, also raffling a hamper to celebrate with us.

Ms. Murugan, left, offered some insight into the heart of women by reciting a poem called "A woman of strength."

Sr. Jali, right, spoke about the true meaning of being a virtuous woman and the qualities that we need to uphold to be a "True Gem" in society.

The day would have not been complete if Dr. Dlamini, right, had not given the staff some beauty tips and a few laughs on how being beautiful was not just about make up.

Sr. Dowdall, below, thanked all who made the event successful, and congratulated them on a job well done!

After the motivating programme, refreshments were served ...
