Inhluwathi Clinic is situated in ward 6, Hlabisa Municipality, Ezibayeni Tribal Authority. This clinic is responsible for +19 250 catchment population. It covers Inhluwathi; Mfanela; Matshamhlophe; Egula; Gabadela, Manzamyama and Ophaphasi area.

After analyzing their burden of diseases the clinic scheduled Health Awareness Day, focusing mainly on MDR TB, Cervical Cancer and Malnutrition held at Ezibayeni Tribal Authority Hall on the 28th of August 2014.

Purpose of the event was to educate Community on symptoms of the diseases; prevent of diseases and how to live with or treat those diseases.

Inkosi B.M Mdletshe delivered his speech as a message of support, indicating his concerns about healthy lifestyle of his people. He also indicated that within his Tribal there are clinic sites demarcated and solely reserved for Health Facilities to be build when ever Department of Health decides to do so. He also requested Izinduna not to allocate homestead around those sites because that will hinder future expansion of those facilities in future.

Community attended in numbers. Zonke izihlalo zigcwalile abantu kwaze kwashoda indawo.

Beside health speeches, the following services were provided on site.
