Chief Executive Officer's Corner

Mrs. D.L.L. Zungu
The Hospital C.E.O.

This time of the year is a time when we look back and reflect on what has been happening at Hlabisa hospital. A lot has accomplished. The contribution of each and everyone on this institution has made a difference.

The highlights include:

- The secondment of the Medical Manager from CBH.
- Appointment of CMO and all other medical officers.
- The new CPNs
- Our nurse to win the Cecilia Makiwane award both provincial and national award.
- The awarding of new wards, residents and the nurses home.
- Filling of senior posts in Human Resource and Finance departments .
- Opening of Mpembeni Health Facility.
- The MEC's visit, Mrs. N.P. Nkonyeni in early November 2006.

The challenges which are faced by the institution:

- Water problem

- Failure to recruit and retain the medical officers and other scarce resources.

May this newsletter help us to grow and make us better people by sharing information and learning from each other in the name of "service delivery". The Executive Management thanks you all for the contributions you have made in this year of 2006.

We take this opportunity to wish you all a Joyous Christmas and Prosperous New Year. May his birth bring blessings to you and your families ! May the New Year be filled with joy, love and happiness.

Enjoy your holidays and come back refreshed and ready to take another stride in the New Year -2007.

Success

- Success is not about whom you're or where you come from, but about how prepared are you to work for it. Nothing in this world comes cheap or easily.
- What you believe is what you get. You are the creator of your own destiny. Try and fail, but do not fail to try, as the road to success is not smooth.

TAKE THE GIRL CHILD TO WORK

ABOVE ARE THE LEARNERS WHO ATTENDED OUR HOSPITAL FROM THE SURROUNDING HIGH SCHOOLS FOR TAKE THE GIRL CHILD TO WORK PROJECT. . .

Hlabisa hospital invited twenty top learners from surrounding schools. The purpose of this day is to expose young females to career opportunities available for them in the health department. Learners from high schools around Hlabisa hospital were given lectures by hospital staff from different units within. Learners were very excited for the opportunity given to them. The hospital is having a challenge to make gatherings like these more often to improve the information sharing with our local communities in youth development programmes.

**"DO NOT BE
PART OF THE
PROBLEM BUT
ALWAYS BE PART
OF THE
SOLUTION"**

WORDS OF APPRECIATION

Special thanks go to all school principals who supported this initiative and all staff members, during the learner's visit that accommodated learners, without their solid support this day was not going to a success that it portrayed and thumbs-up to hospital management for the platform the management gave to these learners.

HLABISA'S BIG BOY

On the 14th of August 2006, Hlabisa was blessed with a 5.5 kg boy and his mother named him Kwanele Zondi. The baby boy was delivered successfully without any complications. This was made possible by a dedicated labour ward staff under the management of Ms. Mnyandu. We wish Kwanele all wonderful life filled with all the successes that the young boy and his family want. As he became a hero in his birth should continue with his heroics to bring joy in his family some years to come.

FAREWELL TO OUR MAINTENANCE MAN (MANAGER)

MR. TONNY SKINNER SINGING WITH FELLOW COLLEAGUES WHO ARE WISH HIM GOOD JOURNEY TO RETIREMENT.

THE HOSPITAL CEO PRESENTING THE RETIRING MR. TONNY SKINNER.

Mr Skinner has served Hlabisa hospital with loyalty and dedication, he voluntarily extended for two years more as a sign of his dedication. He will be extremely missed in the maintenance part of the hospital and we wish him a joyful retirement at his home.

OUR HUMAN RESOURCE MANAGER IS BORN AGAIN, HAPPY BIRTHDAY, SIS THEMBI!!!

It was fun and laughter when our hospital human resource manager Ms. L.T. Mchunu celebrated her birthday for the 21st, 41st or may be 61st. No one knew exactly. Few of her colleagues gathered to share that moment with her. It was not a big thing as you can tell yourself but it served the purpose meant. It is very important as staff members to these regarded as minor celebrations because they are the concrete poles for our togetherness." May God provide her blessings for other birthdays to come."

Staff members that were celebrating with Ms Mchunu on her birthday.

The head of Finance and Systems

Our Finance and Systems Manager :
Mr. S.F. Mdlalose

There are the following components, which are managerial skills of Mr. Mdlalose that expenditure control, In-patient & Out patient, Revenue, Transport, Stores, Maintenance, Grounds, Housekeeping, Security, Telecommunication, Laundry, Mortuary, Food service and Information services. The information above clearly indicates the amount of work and dedication to be shouldered. The dedicated line managers under Mr. Mdlalose's supervision make all this volume of work achievable.

There has been lot of improvement in different areas of work within the hospital. As leader of Finance and Systems departments, am aware of areas that are in need of improvement and hope that people bear with us when there are certain changes in procedures, which may result in some delays. As Christmas is looming closer, I would to wish all our staff members a safe and peaceful Christmas holidays hope that God will protect them over this busy time coming. May God bless you!

MEET OUR NEW MEDICAL MANAGER DR. A.G.M. ADAM.

MEDICAL MANAGER: DR.A.G.M. ADAM

The hospital has been blessed with the acquirement of the skills of our new Medical manager Dr.A.G.M.Adam. He joined Hlabisa Hospital at the beginning of August 2006 from Catherine Booth Hospital after having worked in a string of different hospitals. The contribution of this man has been witnessed by all categories internally and externally.

Sporting activities for 2006

The hospital was visited by Ocean view Nursing college, Our boys and girls manage to be winners at the end of the day. We visited Benedictine Hospital, both teams were beaten by narrow margins. The soccer team attended a soccer tournament at Empangeni which consisted of Ngwelezane Hosp, Lower Umfolozi Hosp and Uthungulu Health District Office, our boys came second in that tournament which clearly indicates to anyone what kind of a team that we have at Hlabisa Hospital. Both Netball and soccer teams visited Mbongolwane Hospital, netball was beaten by 12 goals to 08 and soccer team managed a 1 all draw. During Umkhanyakunde health district tournament our soccer team won all the games and became the champions of the tournament and the netball team came second in the tournament. We urge all those interested in whatever sport code to come forward they will be supported. Special thanks to our hospital Management for their support till we meet next year for more sporting activities
