

# HLABISA DISTRICT HOSPITAL

## HLABISA ROLLED OUT FOR PHILA MNTWANA CENTERS

All relevant stakeholders met at Hlabisa hospital on the 23rd of August 2013 to pave a way forward for implementation of Phila Mntwana Centres within Hlabisa-Mtubatuba Health Sub-District. This Sub-District consist of 2 Municipalities Namely– Hlabisa and Mtubatuba Municipality.

These stakeholders consist of officials from District office; Hlabisa Hospital; operational Managers from 4 clinics and their Clinic Committee Chairpersons; both municipality officials; Ward Councillors; community health Facilitators and CCG Supervisors.

Ms T.M Dlamini from Umkhanyakude Health District explained to the stakeholders what Phila Mntwana Centres will be and how they will operate.

4 Phila Mntwana Centres will be rolled out within Hlabisa-Mtubatuba Sub-District 2 under Mtubatuba Municipality (ward 6 overseen by KwaMsane Clinic, ward 17 overseen by Somkhele Clinic) and 2 under Hlabisa Municipality (ward 2 overseen by Hlabisa gateway Clinic and ward 5 overseen by Inhlwathi clinic). The project will at the end be spread through out all wards within each Municipality

Steering committee to drive implementation of Phila Mntwana Centre's.

Sr. Mlotshwa (Operational Manager Gate way Clinic) Chatting to Mrs. Ntombela (PHC Supervisor).

These Centres will offer the following well baby services:

- Growth monitoring
- Screening for Malnutrition
- Supply of vitamin supplements.
- Diarrhoeal Disease Intervention.
- Promotion of Breast Feeding
- TB Screening
- Referrals for Health management
- Tracing of defaulters
- Immunization

Ms T.M Dlamini (District MCWH Coordinator) rolling out Phila Mntwana programme

The next stage from here is engaging traditional Leadership within the identified areas as well as community engagement; identification of the physical structures (buildings) to be used within the communities and then launch the project very soon. Operation Sukuma Sakhe will oversee the whole project implementation.
