## MENTAL HEALTH AWARENESS EVENT

Inanda Community Health Centre recently hosted a Mental Health awareness Event on Friday the 26<sup>th</sup> of July. The aim of this event was to motivate people towards caring for the mentally ill, whether they are family or community members. Amongst many people who formed part of the event was our Mental Health patients and their relatives, we also got support from various community stake Holders i.e. the SAPS and NGOs. During the day there were educational talks by mental health nurses on how to manage mentally ill persons and that they rely on the entire community for their wellbeing.

**Audience comprising of Staff, Patients, Patients relatives and the general community listen attentively at the opening of the event, which was held at the Methodist Church next to the clinic**
