Mandela Day at Siphosethu Special School

67 minutes well spent at Siphosethu Special School which is situated at KwaLubisi Area under Pongola Municipality. In honour of the Mandela day Itshelejuba hospital staff donated some food items and cooked for the learners as a symbol of love and giving hope.

The learners recited poems, and demonstrated some of their dancing moves in response of the visit. Matron Manana addressed the learners and explained the purpose of the day based on the life of the international icon, the former President Mandela who sacrificed his life for the freedom of South Africans.
