ITSHELEJUBA HOSPITAL EMPLOYEE AWARENESS DAY

The Guest Speaker of the day

Mr. T.M. Dlodla (HIV/AIDS CO-ORDINATOR), The Hospital Manager (Mrs M.O. Simelane)

Itshelejuba Hospital hosted an Employee Health Awareness Campaign on the 22nd of February 2006. It was the most exiting day of the year, where all staff were appreciated about the work they do all most every day, The main theme of the day was to motivate hospital staff to go for VCT, utilize the service available to the hospital such as AEP (Assistant Employment Programme) and Occupational Health Dept and to sustain other services necessary.

From The Desk of The Editor

The Public Relations Officer would like to welcome all staff members in the New 2006. I also hope that you will find our Hospital Witness informative and even this new year we will use it as an additional Communication tool between Staff and Public. The 2006 Witness will be more different as compare to the last year Newsletter, as it will consists items regarding i.e. letters to the editor, different Projects, Functions, et cetera.

I will also like to congratulate all the winner of the last year Ending Award from different Categories with their achievements. You surely deserve to win and I'm very proud of you, to other hospital staff, thank you for the good work, keep it up and be this year winners.
