FOOD SERVICE MANAGEMENT QUALITY ASSURANCE ASSESSMENT

Mr Madome Manyuha from National Nutrition Directorate under National Department of Health visiting the Hospital.

On the 17th of October the hospital was visited by Mr Madome Manyuha from National Nutrition Directorate under National Department of Health. The main reason for the visit was to do Food Service Quality Assessment and Support the hospital Main Kitchen and Dietetics Department. The team that Mr Manyuha was working with consisted of the CEO, District food Service co-ordinator, Quality Manager, IPC Manager, Chief Artisan, Dietician, Nursing management, and Acting Food Service Manager. The visit was very fruitful and beneficial to all members of the team as Mr Manyuha was not only assessing the units but he was also providing useful information and in-servicing the team members on different food service aspects. A bond was built between the hospital the National Nutrition Directorate as Mr Manyuha does weekly follow ups with the hospital and provide assistance where needed.

DO MORE FOUNDATION VISIT –at PEADS WARD

Mrs. JN Mthenjana (DMN) AND Mrs. TM Vilakazi (CEO) accepting gifts from Do-More Foundation team.

Its December time where the children are happy to be visited by people who will give them toys.

Do-More Foundation team has come up with a plan to visit iTshelejuba Hospital to donate with toys to the children admitted at Peads ward. What is done by the Do-More Foundation team to the children shows them that even though they are admitted there are people who are thinking about them. The management and clients were very happy for such caring gesture.

WORLD AIDS DAY WITH PONGOLA SANDF-

01 DECEMBER 2022

Pongola OPS Base employees celebrating the WORLD AIDS to remember the people died because of HIV/AIDS and those who have HIV /AIDS to tell them that they can still survive if they take care of themselves by taking treatment properly .

World Aids Day is a commemorated annually across the globe to show solidarity within the people living with HIV and also to raise the awareness about the status of the pandemic to encourage HIV prevention, treatment and care. Itshelejuba Hospital, Pongola Clinic and Ncotshane Clinic supported Pongola SANDF in creating awareness with health walk to remember the millions of people died because of HIV/AIDS and bring back the hope to those who are still living with HIV. During this day they were using plug cards to convey the message to everyone in Pongola town to tell them that they can still survive from this pandemic if they take the treatment properly, encouraging people to know their status, and also encouraging people to familiarize themselves with Prep Pill. The walk started from Pongola OPS Base to Pongola Local taxi rank, a health walk with health and support messages was conducted around Pongola town encouraging knowing ones status, adherence to medication and prevention including
