Mr M M Zungu—Deputy Director General for the Department of Health KZN and National Deputy Director General of Health visited Itshelejuba hospital.

Presentations were made in respect of the performance of the institution and he commended our institution for the commitment and dedication we show to our clients.

He further mentioned that although Itshelejuba is a small hospital, it manages to rise above its level in fighting diseases as well as ensuring the delivery of services to the community.

DDG VISIT

Deputy Director General– Mr MM Zungu with Hospital management taking rounds after briefing.

DDG - Taking rounds in pharmacy and chatting with Pharmacy manager Ms AN Mkhasibe

Mr MM Zungu the Deputy Director General was impressed by the compliance in terms of 6 Priorities of the department. Most of all he highlighted the cleanliness part of it as in a deep rural hospital is something which is remarkable.

He further mentioned that the provincial Department of health is willing to give the utmost support to such performing institution in spite of being in the nodal areas.

All is impossible without every individuals effort in improving level of health care to our community.

PHARMACY WEEK

PHARMACY WEEK 2014

The theme for the week pharmacy week was to use antibiotics wisely.

Health education on the utilization of antibiotics and all other medication was given to patients. They were also made aware on the correct way to handle, store and dispose of medication

The campaign was well conducted by the senior staff from pharmacy.

Client attendance was excellent. Brochures were distributed to clients to read at home and share information in their household.

ORIENTATION AND INDUCTION

“Welcome to Reality Colleagues’

It is our culture at Itshelejuba Hospital to do Induction and Orientation exercise to our newly employed staff. This activity helps new colleagues to familiarise themselves with the environment they will be working in.

During induction and orientation we touch base on issues such as code of conduct, Labour Relations Act and other prescripts and legislations; Batho Pele; Infection Control and Prevention etc.

It is of paramount importance to stick to the Mission, Vision and commitment charter that all staff including the newly appointed staff to adhere to. The clear vision that we all share has got a meaningful contribution towards providing excellent health care service to our clients.

There is a belief set that we follow: We Belong, We Care; We Serve. By this belief set we encourage staff to have a sense of belonging to this institution, By so doing that will enable them to care for their clients as well as for each other at the end the will be able to serve communities with pride and dignity.

We wish our comrades a happy working experience and stay at our beautiful Itshelejuba District Hospital.

“True happiness consist not in the multitude of friends, but in their worth and choice” Samuel Johnson

PERFORMANCE REVIEW

Top Management from Zululand Health District and hospital Management came in full capacity in attending Performance Review

It was an honour to our hospital to be visited by the top District management for a performance review exercise.

The overall performance for our facility was well presented by Mrs TG Msibi ANM– Monitoring and Evaluation.

What transpired from the presentation is that the hospital performance as per set indicators have improved dramatically.

PHC/Clinics were represented by their respective Operation Managers and their performance has improved as well which shows the integrated response in delivery of services to our catchment population.

The Office Manager Mr JM Thusi who stood in for District Manager mentioned that Zululand Health District is impressed by Itshelejubas performance.

KEEP UP THE GOOD WORK''

OPEN DAY- CAREERS EXPO 2014

Students with Physiotherapist

Ms BN Ngubane addressing Students on Nursing Career

All the high schools in Pongola were invited to visit the hospital. Our target students were grade 11 and 12 who are in Maths and Physics stream who wish to pursue careers in health science field.

350 students arrived, accompanied by their educators. 13 high schools showed up. Students were given brief presentations by all professionals in the hospital and they were allowed an opportunity of access to different sections of their choice.

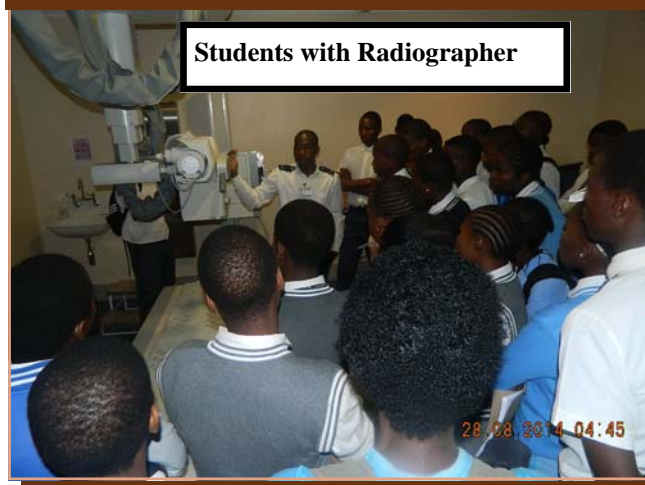

Aim of this Expo was to equip students with relevant necessary information. To enable them to make the right choices when planning their careers. It was emphasized that students should do well at school and get good results in their studies,

They were provided with "Careers in Health Handbook" as well as Clinical Associate Booklet. Students were sensitized of the bursaries that Department of Health KZN offer.

WELLNESS WEEK

OLD MUTUAL PRESENTATION

NCR

Umkhankaso wokulekelela abasebenzi kulesisibhedlela uhamba kahle kakhulu. Lokhu kufakazelwa abantu abaqhamuka ezikhungweni ezahlukahlukene ngenhloso yokusifundisa ngezinto ezifana nokubhekana nengcindezi; ukuphathwa ngendlela kwemali; nezindlela eziyizo zokonga imali.

Kuphinde kugcizelelwe nokuzivocavoca kubasebenzi lokhu okugcina abasebenzi bephilile futhi bephephile nasezifweni; nokukhuthazwa ukuthi baqaphele ukudla abasebenzi lokhu okuhlose ngakho ukugwema amafutha angenasidingo emizimbeni yethu.

Umsebenzi ojabule usebenza kahle nangokuzimisela kungafani nalowo ohlulwa ukulawula izinkingo nezingqinamba ahlangebezana nazo empilweni. Kunohlelo lakwa EAP lapho uhulumeni ekelele khona abasebenzi nathi esikhuthaza ukuthi abasebenzi balusebenzise loluhlaka ngoba lwenzelwe ukusiza bona.

SARS VISIT

South African Revenue Services mobile team visited Itshelejuba Hospital staff to render their services. They assist staff with completion & submission of tax returns; General Tax Queries; changes to registered particulars and e@syFile assistance PAYE reconciliations.

This initiative has helped institutions a lot since it minimizes defaulting on tax returns and people had to travel long distances in order to comply with SARS.

We would like to commend SARS for this initiative.
