ITSHELEJUBA HOSPITAL

GESTURE OF THANKS BY PATIENT

On the 4th of August 2012 Itshelejuba Hospital was visited by one of our former patient Mr. Mahaye who is from Jozini Municipality to thank our Hospital staff for their excellent service. He was admitted on 03/07/2012 after he had an unfortunate car accident on the route between Pongola and Vryheid. He spent more than two weeks in the care of our staff members and then discharged on 18/07/2012.

He came along with his friends who together formed an Organisation called Friends Forum which is made up of 14 members mostly Farmers and businessmen from the Area who also echoed the good care which was received by Mr. Mahaye and the positive attitude they experienced whilst he was admitted at Itshelejuba Hospital.

Upon delivery of his speech he commended our staff for their continued perseverance in this challenging career. He thanked Management and all staff members form OPD and Medical Ward where he was admitted. He acknowledged our hospital for its cleanliness. As a token of his appreciation he organised and paid for catering for the event.
